

CASS HUDSON CO.

Installation Instructions Dream Dinette

(Window Version)

CASS HUDSON CO.

IMPORTANT

Ensure assembly is square, straight, and centered throughout installation process.

Vehicle wall must be reinforced prior to installation of Dream Dinette.

Slotted holes are used in order to allow for adjustment during the installation process. Once the mechanism is installed properly the remaining holes should be used to secure the mechanisms in place.

CASS HUDSON CO.

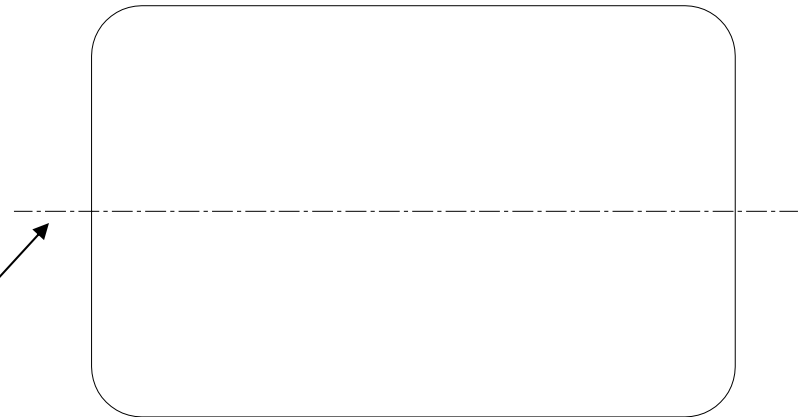

Dream Dinette

Table Top Preparation

- Strike a centerline down the middle of the table top.

Dream Dinette

Attach Slide Track and Lock Bar

- Place slide track in center of table top and adjust such that the slide block covers approximately 1/3 of the lock bar window.
- Secure slide track into place using slotted holes.
- Firmly press lock bar into place and secure using hardware. Be sure the lock bar is parallel with the slide track and the hardware is as far apart as possible in order to insure proper operation of lock.
