

Technical drawing of a 1/2 inch wide, 3/16 inch thick stainless steel plate with 19 holes. The plate has a 9-inch notch on the left end. The holes are spaced at 1 1/2 inch intervals. The first hole is 1 inch from the left end, and the last hole is 1 1/2 inch from the right end. The plate is made of .075 inch thick galvanized stainless steel. The drawing includes dimensions for the plate width (1/2 inch), thickness (3/16 inch), and hole diameter (3/16 inch). It also shows the distance from the notch to the first hole (9 inches) and the distance between holes (1 1/2 inch). The plate is labeled "1/2 (5-PLCS)" and "3/16 (5-PLCS)".
