

A close-up photograph of a black plastic pipe assembly. At the top, a transparent plastic hub is visible, which is part of a larger assembly. Below the hub is a black plastic reducer. The pipe then curves downwards and to the left, forming a 90-degree elbow. Red arrows point from text boxes to specific parts of the assembly: one points to the transparent hub, another points to the black reducer, and a third points to the elbow. The background is a plain, light-colored surface.

PART #103249
(YOU CAN FAINTLY
SEE THE THREADS
INSIDE THIS
TRANSPARENT HUB)

THE REDUCER
IS PART
#16707

PART #103269
OR PART #16708
(STREET ELBOW)
