

A close-up photograph of a black plastic pipe assembly. At the top, a transparent plastic hub is visible, which is part of a larger assembly. Below the hub is a black plastic reducer. The pipe then curves downwards and to the right, forming a 90-degree elbow. The pipe is connected to a larger black plastic fitting on the left. Red arrows point from the text labels to the corresponding parts of the assembly.

PART #103249
(YOU CAN FAINTLY
SEE THE THREADS
INSIDE THIS
TRANSPARENT HUB)

THE REDUCER
IS PART
#16707

PART #103269
OR PART #16708
(STREET ELBOW)
