Six cubic foot gas-electric refrigerators are standard in Kountry Aires. The kitchens also feature a 4-burner range with a bi-fold stainless steel cover, a see-through glass oven door and a double stainless steel sink. When lowered, the folding cover on the range top provides extra counter space.

Bathrooms in the Kountry Aire travel trailers all feature a shower, lavatory and a marine-type stool with holding tank. A medicine cabinet with mirror is one of the many extras found throughout Kountry Aires.

Kountry Aires have 30-gallon water tanks with air compressors to assure you of an ample water supply. For power, the units utilize an 80 amp battery and a 12 volt converter. Gas is supplied from two 30 lb. bottles with automatic changeover.

For your traveling safety, Kountry Aire travel trailers feature 8 ply, rated tires, tandem axles, 12" brakes and shock absorbers on all wheels.
