park models
...where the living is great!

The 35' Briarwood with 2 slide out rooms.

living areas with style and taste!

Pick an area, any living area, and Kountry Aire comes through with an abundance of style and exceptional taste.

Kountry Aire interiors are made to be interesting and likable. They offer room arrangements that are popular and fully livable. They have color combinations that you'll relish and enjoy. Each model offers a variety of color and conveniences that can add zing and zest to each day of living.

All Kountry Aire park model room arrangements and decor are the result of never ending thoughtfulness, experience and true know-how. Thoughtfulness is the quality that creates large storage areas; provides kitchens that meet all your demands; and includes only features and furnishings that give a lasting feeling of comfort. Experience is that which leads to refinements to make a Kountry Aire the quality oriented leader in its field. Know-how provides the smoothness and efficiency of the overall beauty and performance you'll fully enjoy when you own a Kountry Aire.

So provide yourself with the style of living you like and at the same time live as tastefully as your experience and judgment desires.

Here is a lovely, living area that features a large slide out room that, combined with the cathedral style ceiling, creates a feeling of spaciousness you can enjoy for extended periods of time.

All areas are special but the kitchen is especially important. Nowadays many demands are made from the kitchen and Kountry Aire has applied ingenuity to satisfy the demand. The storage demand is answered with a pantry, on some models, large overhead cabinets, a variety of under-counter drawers and cabinets, and a 13 cu. ft. refrigerator. Add to this a 4-burner oven range, a double sink with complete illumination and you have a kitchen that answers your demands

This front view of the comfortable living area shows the sofa bed, harmonizing easy chair and plush carpeting. Every comfort for living ease made private by pull-down window shades and draperies.

features and construction - a partial list.
