FOUR SEPARATE, INDEPENDENT ROOMS A recreational vehicle magazine in a test report of the Kountry Aire Fifth Wheel, complimented its "four separate, independent 'rooms'. . . the overhead bedroom, the living room, the kitchen and the rear bathroom. Each. . . as comfortable in its own right as the corresponding room of a residence."

**Kountry Aire Bathrooms** 

You will immediately know by seeing the many extra features, that a Kountry Aire bathroom is not just an afterthought. Another test report states that Kountry Aire has "one of the best and largest bathrooms I've ever seen in an RV. It was, without question, designed to appeal to full-timers." Although varying in size, each bath has a full size tub with shower, a vanity with lighted triple mirrors, medicine cabinets, and a power ceiling vent. Some have wardrobes and others add a linen closet. And each bathroom is beautifully decorated to coordinate with the interior of your Kountry Aire.
