Be as free as the air!

Mini  
Motorhomes

## Set yourself free in a Kountry Aire Mini Motorhome

Kountry Aire motorized vehicles let you feel free with the latest kind of thinking, design knowledge and attention to details. This high level approach treats you to unexpected but practical ideas that emancipate you from the hum-drum of every day living. Quality construction, experienced workmanship and many standard comfort features are the basic ingredients that make you feel free. The construction methods

make each model a solid unit that can stand the rigors of the road. Some standard comfort features offered are ducted heat from solid state furnaces; abundant and well designed storage areas; fully equipped bathrooms with tub plus shower; 100% carpeting; and a fully equipped kitchen. But Kountry Aire doesn't stop with just basic ingredients. The icing is the beautifully coordinated interiors.

First, there is a choice of six tasteful decors in colors that include blue, green, light brown, dark brown, gold and persimmon. Then you may choose light or dark paneling, or you may add decorator wall panels that harmonize with any of the six decors. There is a choice of linoleum in place of carpet in your kitchen, double or twin beds, and a variety of

optional equipment which compliment the standard features. The exteriors of the mini motorhomes are as well designed and planned as the interiors. The all white aluminum

FRONT: Freedom at your fingertips. Anywhere in the world at your feet.

exterior with radius corners and smooth design is attractive and it is aerodynamic. The gold accent insert stripe adds the dash of color as it emphasizes the Kountry Aire Mini's upright styling, tailored lines and classic design. This is the vehicle that can make you feel free all over the continent. Wander around this wonderful land and enjoy all the ease freedom of traveling on your own. Make the Kountry Aire decision — it's the best one you'll ever make.

ABOVE: Comfort you can live with anywhere . . . and everything to make everywhere a beautiful place to be.

**Wall storage unit**  
No wasted space in this well designed mini home. This wall storage unit, with its beautiful light wood veneer paneling, is as functional as it is lovely.

**Bathroom**  
Kountry Aire bathrooms are a sensible blend of convenience, privacy and storage.

**Swivel cab chairs**  
Comfort features include two swivel chairs in the cab area, for relaxed and pleasant travel. Or they can be turned to join the living area.

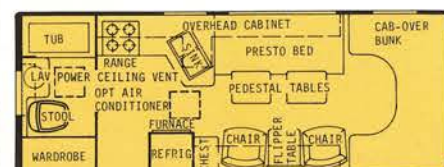

**Double bed**  
The Kountry Aire Mini Motorhome now comes in a model with a full size double bed.

**Swivel Chair-Table**  
For a quiet comfort spot, for socializing, or for meal time, the luxurious swivel chairs, the matching sofa bed, and the removable, pedestal table make an ideal grouping.
