FREEDOM

A way to be free!

A Kountry Aire Fifth Wheel lets you feel at home while you go where you like!

Whatever your pleasure — woodland hideaways, ocean views, desert settings or mountain retreats — your Kountry Aire is your

sanctuary. As pleasant as your surroundings might be, these places will be doubly attractive because Kountry Aire has pleasant spaces built into each unit. All rooms are the result of good planning. They combine to give you the vehicle that lets you enjoy your home all over the continent. The Kountry Aire is solid, comfortable and homey, and does things your home can never do. It can make your native land your patio. It frees you from the humdrum of everyday living, gives you adventure and lets you enjoy a new life with just one move. You'll feel free to feel at home in your Kountry Aire!

Built-in features
Both Kountry Aire Fifth

privacy. But a principal feature is the roomy stand-up dressing area with easy access to the wardrobes. This is a standard feature you will love.

BELOW LEFT

In some models, Kountry Aire has placed a cozy dinette, easy to reach from the modern kitchen. Upholstered to coordinate with the living room and bedroom furnishings, this dinette is a decorator's delight. And the well-planned layout of the kitchen will please every full or part-time vacationer.

Your freedom is enhanced by good interior planning

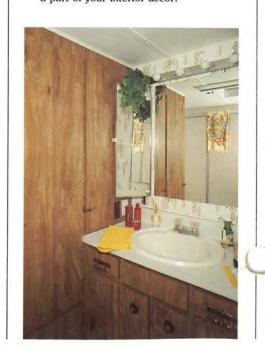

Kountry Aire has hit upon the perfect balance in its use of interior space. They have opened up the interior area in such a way that it flows together, giving you a roominess you wouldn't have thought possible. However, each room is complete within itself to provide you with the privacy you need.

FOUR SEPARATE, INDEPENDENT ROOMS A recreational vehicle magazine in a test report of the Kountry Aire Fifth Wheel, complimented its "four separate, independent 'rooms'. . . the overhead bedroom, the living room, the kitchen and the rear bathroom. Each. . .as comfortable in its own right as the corresponding room of a residence."

Kountry Aire Bathrooms

You will immediately know by seeing the many extra features, that a Kountry Aire bathroom is not just an afterthought. Another test report states that Kountry Aire has "one of the best and largest bathrooms I've ever seen in an RV. It was, without question, designed to appeal to full-timers." Although varying in size, each bath has a full size tub with shower, a vanity with lighted triple mirrors, medicine cabinets, and a power ceiling vent. Some have wardrobes and others add a linen closet. And each bathroom is beautifully decorated to coordinate with the interior of your Kountry Aire.

ABOVE A major feature in this Kountry Aire is the large picture windows (optional). They make the outside a part of your interior decor.

Go unhindered, unlimited in a Kountry Aire Travel Trailer

To those who are looking for the perfect RV, the Kountry Aire Travel Trailer is probably the unit you need. The solidly-built Kountry Aire contains the latest kind of thinking, design integrity and attention to detail. It is made for full-time RV people who know what they want and why.

WHAT ONE OWNER SAID
To quote one Kountry Aire owner:
"It's a remarkable rig. It has

traveled about 50,000 miles since we bought it and that includes 3 trips to Alaska and back. On the first Alaskan trip our microwave oven came loose, but Kountry Aire fixed it and nothing has budged since."

The unhindered feeling of freedom is enhanced by good construction that holds up for years. You can go from summer to winter playgrounds without fear of traveling problems.

ABOVE PHOTO
This sleek white-clad
vehicle is almost a perfect
reason to go and keep
going. From any angle its
crisp, unmistakenly goodlooking lines are
emphasized. Though you
may be attracted by its
excellent design, it has
all the features needed to
give you the freedom of
traveling for extended
periods.

The rear bedroom of the Kountry Aire Travel Trailer has everything you need for that restful feeling that living in comfort gives you. There are large windows on three sides, all with pull-down shades. There is storage overhead, underbed and in the 3 drawer chest. There is also an exterior door (or safety window) for a feeling of safety.

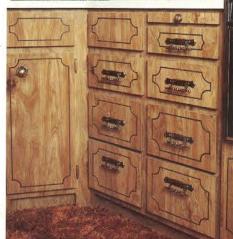

Conveniences to give you liberty.

The design of a Kountry Aire is practically an emancipation proclamation. There are too many attractions to use in every model, but you can choose those that give you the freedoms you need. Some of these luxurious ideas are shown here; others are listed on the chart (page 8). All can be described by your dealer.

features. Lots of drawers and storage areas, elegantly clad in prefinished vinyl-coated woods.

Feel free to help with your interior design

Kountry Aire gives you the freedom to make many choices in personalizing the interior of your unit. First, you can choose from six tasteful decors in colors which include blue, green, light brown, dark brown, gold and persimmon. Other choices include light or dark wood paneling, or decorator wall panels that harmonize with any of the six decors. There is a choice of various floor plans; linoleum in place of carpet for your kitchen; double or twin beds; and a variety of optional equipment. Feel free! Create your own Kountry Aire interior to suit your individual needs.

More features in a Kountry Aire

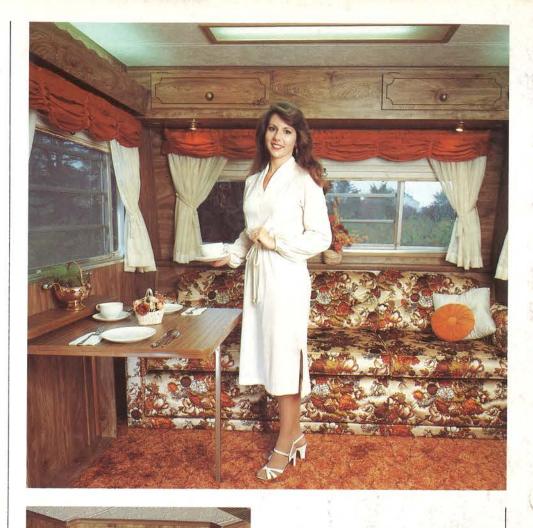

A Hi-Lo Dinette Table can convert to a standard size coffee table. This table and two wooden folding chairs are just one of many optional items.

Automatic Forced Ducted Heat is thermostatically controlled and can quickly give you warmth and comfort (standard all models).

Tinted Windows have 31% light transmission for more efficient energy savings. (standard all models)

An AM-FM stereo with four 10 oz. speakers is available in each unit. Added Storage Space is provided by exterior access doors.

A TV Shelf is in all 5th wheel bedrooms, within easy access of the bed. When not in use, it folds down out of the way against the wall.

ABOVE Roof TV Antenna. Raises or lowers easily from the interior of your Kountry Aire. (Available on all models)

well designed, functional and safe. The thermal insulation and construction materials are among the best available.

A Kountry Aire easily withstands the shock and vibration of moving and will also provide the needs to satisfy those who wish to live for long periods of time in their recreational vehicle.

Inspection A trained, qualified inspector makes strict, specified checks and tests of equipment in every unit before it's shipped. This helps assure satisfaction with any Kountry Aire you may purchase.

Roof

A heavy plywood, center walkway and rear deck are a part of every Kountry Aire. Rafters are 2" x 4" spaced every 16". A blanket of insulation is pealed by insulation is packed between each rafter. The roofing is white, 100% aluminum providing a good looking, non-rusting, superior covering.

Sidewalls Sidewall studs, 2" x 2" every 16", are reinforced by belt rails, solid wood members on curves and corners, and extra supports throughout. Batts of fiberglass insulation cover every area. Wiring is heavy duty and has steel sleeves in the studs. All openings are reinforced and exterior surfaces are covered with pure white aluminum.

ur offices are designed for beauty, efficiency and working comfort. They house an IBM computer that stores information on every business function, on every unit sold and on the needs of each dealer. The plant is a 120,000 sq. ft. facility, not including our new warehouse. Besides the manufacturing area, it has a research and development
