

Kountry Aire[®]
Where the going is great!

The way
to go free
in 1983

the Exterior

To those who are looking for the finest quality and workmanship in their RV, the Kountry Aire travel trailer is the unit you need. The solidly-built Kountry Aire is made for full-time RV people who know what they want and why.

To quote one Kountry Aire owner: "It's a remarkable rig. It has traveled about 50,000 miles since we bought it and that includes 3 trips to Alaska and back. On the first Alaskan trip our microwave oven came loose, but Kountry Aire fixed it and nothing has budged since."

The unhindered feeling of freedom is enhanced by this good construction that holds up for years. You can go from summer to winter playgrounds without fear of traveling problems.

The Kountry Aire exterior is covered with a baked-on white aluminum paint with a gold accent insert. They have an aluminum roof and underside. Various models offer 1 or 2 doors, rear trunks and other exterior storage spaces, picture windows and front or rear awnings or both. All models have dual axles except the 40 ft. 5th wheels and they have a tri-axle.

These sleek white-clad vehicles are the perfect reason to go and keep going. From any angle their crisp, unmistakably good-looking lines are emphasized. Though you may be attracted by the excellent design, they have all the features needed to give you the freedom of traveling for extended periods.

Nothing has been omitted from this 5th wheel kitchen. The double sink, 4-burner range and double door refrigerator are all surrounded by storage cabinets and a storage wall.

In some models, Kountry Aire has placed a cozy dinette. Upholstered to coordinate with the living room and bedroom furnishings, this dinette is a decorator's delight. It easily seats four by a large window.

the Kitchen

Whatever your pleasure - woodland hideaways, ocean views, desert settings or mountain retreats - your Kountry Aire is

your sanctuary. As pleasant as your surroundings might be, these places will be double attractive because Kountry Aire has pleasant spaces built into each unit. All rooms are the result of good planning but the kitchen is the special place that lets you enjoy your home all over the continent.

All our kitchens offer the convenience concept. They are well organized, have every convenience needed including microwave ovens (optional), and are planned for good looks, storage and are step-saving. They are an exceptionally practical asset in every vehicle.

LEFT
A breadboard and many drawers are standard features in a Kountry Aire kitchen.

FAR LEFT
A dream kitchen-dinette arrangement in a Kountry Aire travel trailer. This area also features a china cabinet with glass doors.

Six decor choices

The living room is special in a Kountry Aire. They all have an especially comfortable, Flex Steel or Schweiger sofa bed, a large table, sculptured carpeting and large windows with valances, draperies and pull down shades. They are well lighted from the outside or on the inside. It is a place made to enjoy.

Kountry Aire gives you the freedom to make many choices in personalizing living areas of your vehicle. First, you can choose from six tasteful decors in colors which include blue, green, light brown, dark brown, mauve and per-simmon. Other choices include light or dark wood paneling, or decorator wall panels that harmonize with any of the six decors.

the Living Room

A travel trailer living room with the sofa bed and optional Hi-lo table that can be used for a coffee table or raised to become a dining table.

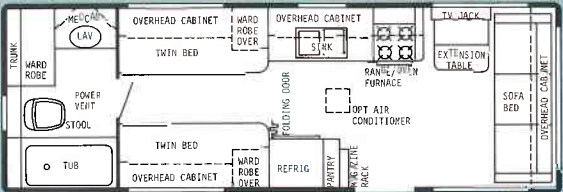

A pull out pantry, double door refrigerator, wardrobes and drawers are all housed in this typical Kountry Aire storage wall.

For quiet entertaining or for serving a group of six, this extension table practically disappears against the wall when not in use.

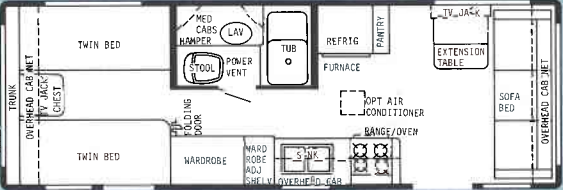

The Kountry Aire travel trailer is ready to go in 12 models and 5 lengths. The lengths include 27 ft., 29 ft., 31 ft., 33 ft. and 35 ft. models. Primary features and specifications for each Kountry Aire travel trailer can be found on the specification chart.

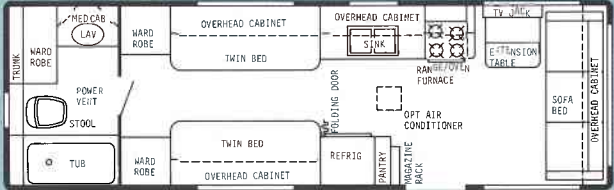

has plans to make you free!

All weights shown are approximate. All Kountry Aire features and options are not included. Your dealer has a complete list. Each Kountry Aire meets all requirements of the RVIA, Recreational Vehicle Industry Association; the ANSI, American National Standard Institute; and state and federal codes. Some features shown in the photographs are optional. Features and specifications are subject to change without prior notice.

Kountry Aire Features and Specifications

[illegible]

the Bedroom

The Kountry Aire designers have planned comfortable bedrooms in all models. They are carpeted; many have large windows with pull-down shades on three sides; all have a 3-drawer chest and overhead storage cabinets. They offer your choice of twin beds or a double bed and each room has handy wardrobes for ample storage.

A few models have 2 bedrooms and all Kountry Aires have 2 sleeping areas when the sofa bed in the living room is utilized. Each bedroom can be separated for complete privacy and when it's rest time there are few places you'd rather be.

The stand-up dressing area is a principal feature included in the 5th wheel front bedroom. Each stand-up area has a large mirror and at least 1 and possibly 2 wardrobes.

Two bunk beds, a dressing vanity, overhead storage and a wardrobe are all included in this expertly planned rear bedroom. Each bunk has its own window making 4 windows in all.

A rear travel trailer bedroom decorated in shades of burgundy. The 3 awning windows open wide and this rear bedroom has an exterior door.

the Bath

You will know by seeing the many extra features, that a Kountry Aire bathroom is not just an afterthought. A test report stated that Kountry Aire has "one of the best and largest bathrooms I've ever seen in an RV. It is, without question, designed to appeal to full-timers."

Although varying in size, each bath has a full size tub with shower, a vanity with lighted triple mirrors, medicine cabinets, and a power ceiling vent. Some have wardrobes and others add a linen closet. Each bathroom is carpeted and is beautifully decorated to coordinate with the interior of your Kountry Aire.

You have your choice of a rear bathroom, a center bath, a front bath or walk-thru baths, depending on the Kountry Aire model. Each is well planned and suitable for full-time use.

This 5th wheel rear bathroom is large and beautifully furnished. Besides this attractive vanity there is a 54" tub and shower, a wardrobe and a linen closet.

A travel trailer center bath with a sit-down tub and a triple mirrored medicine cabinet over the vanity.

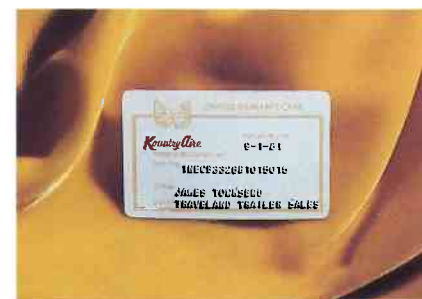

The way we build them builds confidence.

Kountry Aire ingenuity, combined with years of manufacturing experience, enables our veteran staff to produce some of the best-built recreational vehicles.

Besides having great structural strength, the Kountry Aire gives protection against corrosion, windstorm hazards, water damage and excessive heat or cold. Each unit has two doors, or one door and an

emergency exit. Plumbing, heating and electrical systems are well designed, functional and safe. The thermal insulation and construction materials are among the best available.

A Kountry Aire easily withstands the shock and vibration of moving and will also provide the needs to satisfy those who wish to live for long periods of time in their recreational vehicle.

Kountry Aire's Warranty Card

A personal warranty card is given to each new Kountry Aire owner. This card gives owners recognition at all Kountry Aire dealerships throughout the United States. It is proof that your vehicle is under full warranty by Newmar Industries, Inc.

Inspection

A trained, qualified inspector makes strict, specified checks and test of equipment in every unit before it's shipped. This helps assure satisfaction with any Kountry Aire you may purchase.

Roof

A heavy plywood, center walkway and rear deck are a part of every Kountry Aire. Rafters are 2" x 4" spaced every 16". A blanket of R-14 insulation is packed between each rafter. The roofing is white, 100% aluminum providing a good looking, non-rusting, superior covering.

Sidewalls

Sidewall studs, 2" x 2" every 16" are reinforced by belt rails, solid wood members on curves and corners and extra supports throughout. Batts of R-7 fiberglass insulation cover every area. Wiring is heavy duty and has steel sleeves in the studs. All openings are reinforced and exterior surfaces are covered with pure white aluminum.

Some of Kountry Aire's extra special features

A pull-out pantry, standard in all models, stores a generous amount of groceries or miscellaneous items. It is located in the kitchen area.

Both Kountry Aire fifth wheels and travel trailers are loaded with built-ins that make exceptionally good use of the space available. Many units have built-in magazine racks, TV cabinets, dinettes and storage walls. Every unit comes with a built-in pull-out pantry and an abundance of wardrobe space.

more features in a Kountry Aire

Automatic forced air, ducted heat is thermostatically controlled and can quickly give you warmth and comfort (standard all models).

Tinted windows have 31% light transmission for more efficient energy savings (standard all models).

(continued)

A luxurious, optional item wanted by many women is the washer and dryer. This fifth wheel has them installed out-of-sight in the storage wall.

An AM-FM stereo with four speakers is available for each unit.

A TV shelf is in all 5th wheel bedrooms, within easy access of the bed. When not in use, it folds down, out of the way against the wall.

MATCHING TOW VEHICLE

When complete with an optional matching tow vehicle, the Kountry Aire provides you with a wonderful way to be free. The tow-mate has a beautifully appointed interior that seats 5 or 6. It helps make towing your Kountry Aire a pleasure.

Slide-out room

This room can be an instant addition to your Kountry Aire living room in some models. It is extra solid in construction and slides out or in with the flick of a switch.

Our offices are designed for beauty, efficiency and working comfort. They house an IBM computer that stores information on every business function, on every unit sold and on the needs of each dealer. The plant is a 120,000 sq. ft. facility, not including our new warehouse. Besides the manufacturing area, it has a research and development center, an engineering design and drafting department, and a large customer service division. The office and factory are located in a rural community that provides quality minded workers who have been building Kountry Aires for years. These are the people who continually produce a top-notch product.

Kountry Aire®

1983 Mini Motorhomes

Set you free

Arranged for convenience and good looks, this 23' model kitchen offers a 4-burner range with oven, a double sink and a refrigerator-freezer on the opposite wall. It is fully carpeted and well lighted.

The mini that makes freedom a way of life

Kountry Aire mini motorhomes let you feel free with the latest kind of design and attention to details. This approach treats you to practical ideas that emancipate you from the hum-drum of every day living.

Quality construction, experienced workmanship and many standard comfort features are the basic ingredients that make you feel free. The construction methods make each model a solid unit that can stand the rigors of the road.

Some standard comfort features offered are ducted heat from solid state furnaces; abundant and well designed storage areas; fully equipped bathrooms with tub plus shower; 100% carpeting; and a fully equipped kitchen.

But Kountry Aire doesn't stop with just basic ingredients. The icing is the beautifully coordinated interiors.

The L-shaped kitchen offers abundant storage above and below. The china cabinet has glass doors on 3 sides.

First, there is a choice of six tasteful decors in colors that include blue, green, mauve, dark brown, gold and persimmon. Then you may choose light or dark paneling, or you may add decorator wall panels that harmonize with any of the six decors. There is a

choice of linoleum in place of carpet in your kitchen, and a variety of optional equipment which compliments the standard features.

The exterior of the mini motorhome is as well designed and planned as the interiors. The all white aluminum exterior with radius corners and smooth design is attractive and it is aerodynamic. The gold accent stripe on the hood and on the side adds a dash of color as it emphasizes the Kountry Aire mini's upright styling, tailored lines and classic design.

This is the vehicle that can set you free. Wander around this wonderful land and enjoy all the ease and freedom of traveling. The Kountry Aire decision is the best one you'll ever make.

The Kountry Aire has a smart appearance from any view. The exterior is all white and all aluminum.

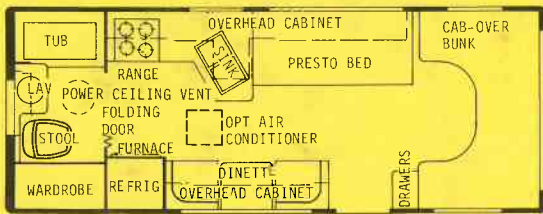

The mini's rear bath has a large tub and shower next to the lavatory. All bathrooms are a blend of convenience, privacy and storage.

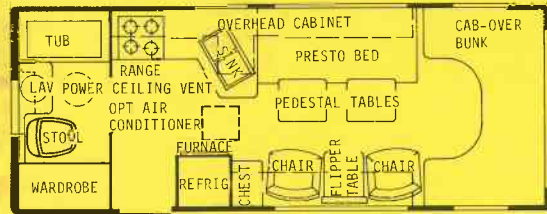

Up to 3 pedestal tables are available when needed to seat up to 6 adults. The Formica top tables can be erected easily.

The mini interior is carefully, color coordinated. Each is tasteful and very comfortable. The sofa bed and overhead bed can sleep up to 4 adults.

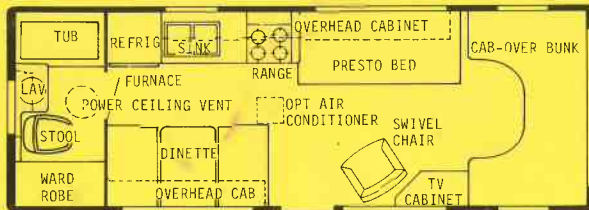

Choose from two 23' models,
three 26' models and one 28' model.

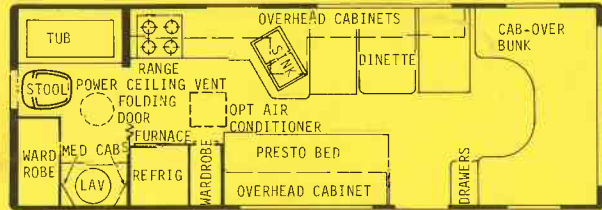

23RB - Dry Wt. 9600 lbs. - Overall length 24'4"
