* A WORLD AHEAD *

IN TIME AND DESIGN

WHAT Kountry Lite MEANS FOR YOU...

Pre-painted aluminum skin with radius exterior corners. Fiberglass cap front and rear. Hehr jalousie windows. All running lights. Attractive persimmon color striping accents on white. Coaches are fully insulated top, sides and floor. You'll be nice and cozy.

The new Kountry Lite coach is light, but not a lightweight . . . there's a difference! Exterior construction features $1\frac{1}{2}$ " aluminum sidewall construction with 16" centers. Aluminum truss style roof rafters. A 5" tubular steel frame with structural cross members on units up to 30' in length. Six-inch steel tubular frame with structural cross members on units 30' and over.

Lite but solid! That's the whole idea behind the engineering and construction of your Kountry Lite coach. For example, all coaches feature double half-inch laminated floor construction for strength and rigidity. All floors are insulated and covered with a combination of Armstrong vinyl floor covering and plush nylon carpeting.

This large double stainless steel sink with plenty of storage below make camping chores a clean-up breeze. You have room to move around in your Kountry Lite kitchen!

You'll find everything you need to cook up a gourmet delight right at your fingertips with the convenient slide-out pantry. It's standard in every Kountry Lite kitchen.

Your Kountry Lite coach has all the comforts and amenities of home, such as this lovely extra size bathroom with 41" tub, shower, vanity, and rich hardwood veneer cabinetry.

A TRADITION OF QUALITY CRAFTSMANSHIP...

BEAUTIFULLY ENGINEERED...

DINETTE WITH BACK BAR. Plenty of room for your table settings with additional room behind for serving dishes. Another nice idea from Kountry Lite.

ROOM FOR LIVING. Graciously entertain guests, relax, or stretch out and snooze. This beautiful room setting invites all of that and more. Various color combinations and decors available, your choice.
