

Kountry Aire

1987

BY **Newmar Corp.** 

Kountry Aire is the name that Newmar Corporation was founded on and remains a consistently trusted, quality built product that RV'ers in the past and presently continue to rely on for above average durability and dependability. It's a matter of attention given to details, the little extras that keep people coming back to Kountry Aire. This high set of standards carries into our 1987 product line-up and this 37' walk-thru, raised floor/dinette model fifth wheel is a perfect example.

The #KA7-36 (Sandlewood Buff) interior shown here is just one of four beautiful options available this year in the Kountry Aire line and here are just some of the great standards and options: Standard solid oak doors and paneling • Standard polar white exterior color with earth tone graphics • Standard fiberglass front and rear caps and aluminum exterior on towables • Standard all fiberglass exteriors on motorized/optional on towables • Standard, our exclusive central air system • Standard all aluminum superstructure • Optional roll down vinyl stone guard (towables) • Standard sliding bumper tray/spare tire carrier • Stand-up bedroom (fifth wheels) • Optional power slide-outs and many more (see specs and floor plans).
