Star

BY **Newmar Corp.** 

1987 TRAVEL TRAILERS

Kountry Star was born in the same galaxy as its closest relative, the American Star, with a few added features and benefits that make it a step above. Kountry Star by Newmar Corporation is an attractive, affordable travel trailer, built with the same beautiful, luxurious interiors as American Star, but offers extras as standard like: all-aluminum superstructure, radiused windows, radiused corners and rooflines for added aerodynamics, and covered heated holding tanks for year-around camping capabilities.

This special series of travel trailer's standard features continue with conveniences like a full 90 1/4" interior width for extra room and comfort, generous interior storage and wardrobe space, solid oak doors with genuine inlaid cane panels, plush decor packages like the Rose Quartz (AS7-32), shown here with color-coordinated draperies and roller shades, large double porcelain sinks, and the designer beige with rich burgundy and red accent stripes and color-keyed spoked wheels on the exterior.

Kountry Star is sound aluminum construction, beauty and comfort combined with quality construction that Newmar Corporation has built its reputation on. So compare these unique feature benefits with the competition and visit your nearest Kountry Aire dealer today to find out why beauty, comfort and quality don't have to cost more. When you purchase one of these fine travel trailers, fifth wheels or any class of unit in the Star series, you're certain to be a star with your family!

FEATURES THAT WILL BENEFIT YOUR FAMILY!

EXTERIOR

- Std. 26" wide entrance doors for easier, safer entry and exit
- Std. Grab handle for safer entry
- Std. 24" radius entrance step
