“Coast to Coast with no RESERVATIONS!”

Hey America, what are you waiting for? Your ship just rolled in at your nearest American Star dealership departing from any port in the U.S.A., Coast to Coast with No Reservations! See all the great sights in a quality RV everyone can afford, an American Star recreational vehicle.

Newmar Corporation designed this line with everyone in mind. Here's an affordable coach that will allow American families everywhere the chance to enjoy the first, or many times to come in security, comfort and freedom. No reservations are necessary when you take along the only accommodations you'll need, and in a style that's comparable to any RV on the road today, inside and out.

As an up and coming Star to the many varieties and price ranges of the Newmar family of products, American Star offers so many conveniences as standard, you'll expect to pay a lot more than the modest price on the sticker. We don't consider American Star as an economy line other than the price, and here are just a few sound reasons that will benefit you as a happy owner.

The first and most obvious is that *American Star is backed by 21 years of experience in the designing and manufacturing of RVs by Newmar Corporation.*

Then, just take one look at the professionally designed interiors and exteriors, and these tastefully color-coordinated fabrics and hardware that give the look of the 80's. Don't forget the solid oak doors and drawers with a myriad of intimate details that set your Star apart from all the rest.

A wide variety of sizes and floor plans in three choices of vehicle styles will leave you with no reservations about which brand to buy this year, just which model to select. After you reserve your order for the American Star of your choice, American Star invites you to see it all . . . Coast to Coast with No Reservations!

Quality is NO.1 at Newmar Corporation, and our “Personal Touch” inspection of all products will insure you of that high quality before any RV ever leaves our plant!
