TIME HONORED DESIGN from a reliable company that's spent a lot of time in the past twenty-two years creating recreational vehicles for your camping and traveling pleasure. A well designed product is unaffected by the passing of time and is continuously in demand, and as history has proven, Kountry Aire is included in this exclusive list of products. You have insured yourselves and us of this year after year by returning to buy from a name you trust . . . KOUNTRY AIRE!

A traditional air of beauty surrounds you when you walk inside any vehicle in the Kountry Aire line up as these warm and inviting interiors illustrate. From front to rear, Kountry Aire's tradition of tasteful and practically designed living areas welcome you.

Professional, experienced designers and engineers carry **Time Honored Design** into every aspect of building all Kountry Aire recreational vehicles. They are experts who not only know all the technicalities of production, but are well-seasoned campers themselves and have a good understanding of the needs and wants of the avid RVer. Good practical design, eye-appeal, sound construction and reliability are the essential components of **Time Honored Design**, and Kountry Aire concentrates totally on all of them.

From the solid, dependable all aluminum superstructure to the subtle decorative accents inside and out, Kountry Aire is quality and offers a wide selection of floorplans, options and interior design choices. We at Newmar realize that you, our customers, have good ideas too and a desire to add the colors, options and components that will personalize an RV to your taste and satisfaction. So be our guest and select your **Time Honored Design** from Kountry Aire today!

Quality is #1 at Newmar Corporation, and our "Personal Touch" inspection of all products will insure you of that high quality before any RV ever leaves our plant.

***5 Year Limited Warranty on Superstructure**

Newmar Corporation warrants the Superstructure which includes the following: The 12" I-beam Frame; the Aluminum Framing in the Sidewalls and Roof. If any part of the Superstructure fails to perform properly within 5 years from the date of purchase because of faulty workmanship or materials supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar providing the proper claim procedures are followed. All other items excluding the Superstructure are covered under the standard Newmar 1 Year Limited Warranty. See Owner's Manual for details.
