BY Newmar Corp.

Time Honored Design

"After years of RVing experience, we found that *Kountry Aire* truly is *Time Honored Design*! A practical sound design doesn't have to change with every new gimmick that comes into the market. *Kountry Aire* RVs were originally created to include such advanced ideas and technology that practically all the innovations available today have already been incorporated into *Kountry Aire's Time Honored Design*."

"Beauty and Durability combine to produce an RV that not only looks great and withstands years and miles of continued use, but will continue to look and perform great for years to come! We discovered that, with the all-

aluminum superstructure, the 12" steel I-beam frame, and a 5-year limited warranty,

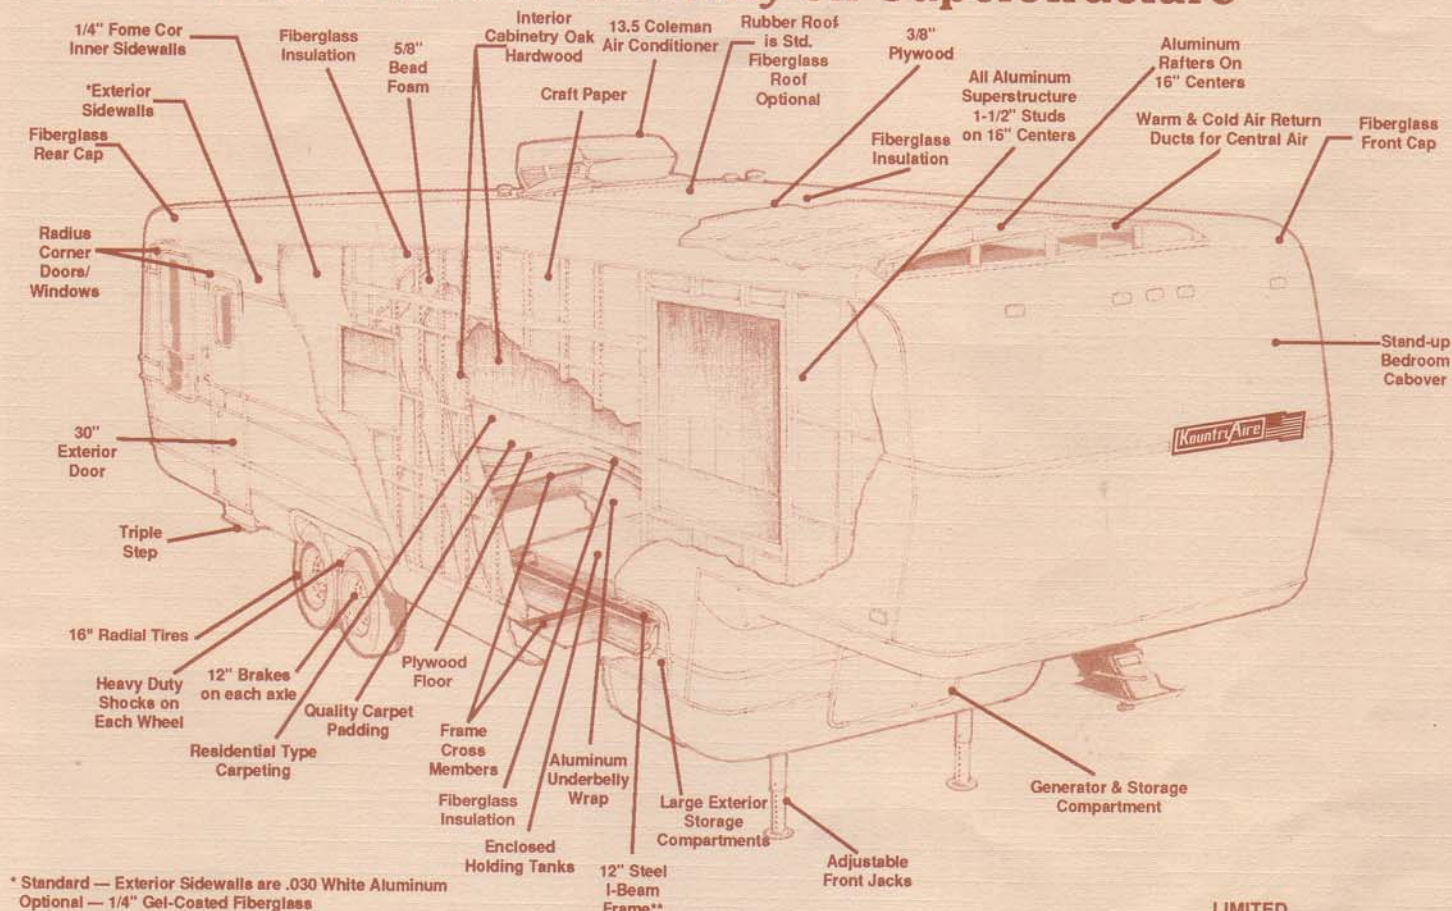

Kountry Aire was built from the ground up with uncompromising quality. The interior colors, features, and brand name components complete the list of good reasons why we chose the *Time Honored Design...Kountry Aire!*"

*Aluminum Superstructure

Quality is #1 at Newmar Corporation, and our "Personal Touch" inspection of all products will insure you of that high quality before any RV ever leaves our plant!

1991 Fifth Wheels

BY

*5 Year Limited Warranty on Superstructure

Newmar Corporation warrants the Superstructure which includes the following: The 12" I-beam Frame; the Aluminum Framing in the Sidewalls and Roof. If part of the Superstructure fails to perform properly within 5 years from the date of purchase because of faulty workmanship or materials supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar providing the proper claim procedures are followed. All other items excluding the Superstructure are covered under the standard Newmar 1 Year Limited Warranty. See Owner's Manual for details.
