Kountry Star® 5th Wheel

With the push of a button, this Newmar slideout is large enough to extend both the dining and living room areas, giving it that same open and spacious atmosphere found in a conventional home. So, go ahead, put your feet up and relax in comfort.

The entertainment center

A good night's rest is assured as you retire in the walk around, queen size bed with matching spread, pillow and window treatments. You'll also appreciate the overhead cabinets and matching night stands that richly accent the bedroom in your Kountry Star® 5th Wheel.

Natural oak doors, drawer fronts and plank flooring enhance the beauty of the kitchen area.

Kountry Star

As breathtaking as the rolling countryside, Kountry Star® 5th Wheels and Travel Trailers are a welcoming addition to this view of Americana. With an equally impressive interior and your personal selections of floor plans and professionally coordinated decor, you'll soon start on an adventure in which the only limits are time and your imagination. Comfort and convenience are paramount in the design of these vehicles with durability built in.

Whether a short trip or a cross country excursion, you'll enjoy the elegant lifestyle associated with a Kountry Star®. With each passing mile, you will discover how much forethought, planning and dedication went into these travel trailers and 5th Wheels by Newmar's talented team of engineers, craftsmen and professional decorator. As you relax in the comforts of the smartly designed interior and look around you, it becomes evident that you made a wise choice.

Many standard appliances are featured in your Kountry Star® kitchen such as a Dometic refrigerator/freezer, overhead

Enjoy a relaxing meal any time of the day or evening while dining in elegance in the attractively designed dining/living room area.

A quiet evening of television or soothing music and a good book are close at hand in your Kountry Star® Travel Trailer entertainment center. The rich,

Cabinets are made on-site with cabinetry skills passed on from one generation to another. Newmar has been building this tradition of time-honored craftsmanship for over 25 years.

Construction Story

You've heard that seeing is believing and after visiting Newmar, you'll become a believer. Scheduled plant tours are available throughout the year presenting you with an excellent opportunity to evaluate the high standard of workmanship that Newmar demands. The plant, located in the heart of Amish Country in northern Indiana combines a successful blend of old fashioned skills with modern manufacturing technology. Take a firsthand look at the care and precision involved in the building process

Modern Technology ensures that the latest technological advances are incorporated into each design, maximizing the efficient use of space to provide the highest levels of comfort.

Home is Where the Heart is...but the fun begins wherever you park your American Star or Kountry Star®. You'll delight in all the luxuries of home at a price that will ensure your comfort.

Strong Wooden Framing, standard in American Star and Kountry Star®, maintains its structural integrity for years. Built with 16" on center construction, these units are engineered to last.

A Blanket of rolled insulation is added to the

Aluminum Sidewalls, optional in Kountry Star®, are welded, not riveted, for added strength. The studs are placed 16" on center and insulated foam board and interior panels are both glued and screwed in place.

American Star

The American Star brightly shines above the competition. Sleek and stylish on the outside, American Star maintains elegance and comfort on the inside. It's as if each unit has its own identity, because each one is treated individually to assure that it meets the highest standard of quality that Newmar demands. In addition, each unit is individually tested in Newmar's own rain bay and weighed so that you know the exact gross vehicle weight of your unit. Anything less is unacceptable.

Sit back and relax in total comfort in this beautiful, cozy swivel rocker. Watch the evening news or listen to the stereo while reading a novel.

Floor space instantly expands with the push of a button, giving you additional room to enjoy all the wonderful comforts you'll find in the American Star 5th Wheel lifestyle.

American Star 5th Wheel

Just dessert, or a family meal if you prefer, are easily handled in this kitchen where cupboard space is abundant and everything you need is within reach.

An American Tradition of Excellence

Tradition has been defined as "...an established way of thinking, feeling, or doing...preserved or evolved from the past." That's the philosophy that made American Star Travel Trailers and 5th Wheels what they are today. Time honored craftsmanship and a skilled, experienced work force, direct from the heart of the Amish Community in northern Indiana, strive each day to build every unit with caring pride. Excellence is not a word taken for granted at Newmar. Many quality assurance programs are in place to check and double check the production of
