## Imagination

As a kid, you enjoyed a natural curiosity for life and its mysteries. Back then your imagination could take you just about anywhere you wanted to go. In fact, a Friday night in your own back yard was just the beginning of a wonderful weekend adventure — playing hide and seek in the dark, catching fireflies in Mason jars and searching the night sky for UFOs. What more could you want? Now, as an adult, you have the answer to that question. You long to see the sunset from a new perspective and experience a night sky that reaches as far as the eye can see. You want to do all of the things that you always imagined and more.

At Newmar, we bring imagination and reality together for some of the most beautiful adventures in life. The Newmar Kountry Aire Diesel Pusher is a perfect example of innovative thinking and creative design. It can surround you in comfort, transport you in style and promise you the quality that customers have come to expect from Newmar. So, the next time Friday night in your own back yard leaves little to the imagination...open your mind and awaken the kid that lives inside — he'll know where to go.

The Kountry Aire Diesel Pusher — the RV that feeds your imagination.

## Imagine the Quality

At Newmar, we take great pride in your satisfaction with our products. To ensure your comfort and convenience, we listen to your suggestions and integrate many of your customer requests. In 2002, we've changed some features on the Kountry Aire Diesel Pusher, including molded front and rear wheels. In the years to come, we will continue our commitment to keep improving our high-quality products and to keep bringing you new ideas in travel. Some will be based on our imaginations — others will be based on yours.

2002 Kountry Aire Diesel Pusher

## Imagine the Luxury

Life on the road is good. In a Kountry Aire Diesel Pusher, it only gets better. The 2002 model features a Cherry hardwood option and six interiors with color options to create your own style. The Kountry Aire features a redesigned dash for an updated look with better accessibility to the instruments. Closing the privacy drapes is as easy as the touch of a button with the Kountry Aire's new motorized drapes. Imagine your life on the road with the luxury amenities and comfort of the Kountry Aire.

details

A Flexsteel leather/vinyl front seat with eight-way power lumbar support keeps the driver comfortable, and the drop-down flat-screen television provides the perfect entertainment experience (Available on some floorplans)

## Let Your Imagination Lead You

The comfort inside is just one of the many things you will enjoy about owning a Kountry Aire. You can choose from an abundant selection of decors, including Wisteria (Lavender), Glacier Blue, Contempo, Laurel Green or Bronze, or upgrade to the Savannah luxury decor option. Decorate with the standard Oak hardwood cabinetry, or select Frosted Maple hardwood, Cherry hardwood or, our newest wood-work option, Pecan-Maple hardwood.

Weekend get-aways or cross-country adventures, your Kountry Aire will provide the private warmth or the party atmosphere you enjoy. Whatever your style, personalize the look and feel of your Kountry Aire to help you feel at home wherever your imagination leads you.

# Typical Construction Features

For construction representation purposes only. Models may differ from what is pictured.

*Because of the weight of a Diesel Pusher engine, Newmar adds a bridge-like truss structure that eliminates undue stress on the sidewalls.*

1. Stylish one-piece fiberglass front cap
2. Welded aluminum crowned roof structure with 16" on-center framing
3. True central air conditioning
  - Insulated ducted distribution and return
4. 1" tubular aluminum rafter with full joint weld
5. Exclusively designed slideout header for added strength
6. Fiberglass batten insulation
7. Brite-Tek or fiberglass roof
8. Exclusive slideout roof dam channeling water run off
9. Aluminum or fiberglass wrap
  - Additional aluminum reinforced extrusion connecting sidewall to roof over most slideouts
10. 1.5" C-channel aluminum studs with punched holes allow for:
  - Ventilation
  - Wiring to run through the sidewalls for convenient receptacles
  - Reduced weight
  - Increased strength of the stud
11. Aluminum sidewall structure with 16" on-center framing
12. Composite one-piece gel coat exterior sidewall
13. Stylish one-piece fiberglass rear cap
14. Molded wheelwell liners in most units
15. Tinted safety glass
16. Electric rack and pinion slideout
  - Flush floor slide
  - Automotive-style double bulb seal
17. Plush carpet
18. Carpet padding
19. 5/8" floor decking
20. Fiberglass batten insulation
21. 2"x 3" wood stringer
22. Fiberglass batten insulation
23. Kraft paper (vapor barrier)
24. 5/8" bead foam
25. Plywood interior wall board
26. Welded interlocking top and bottom rail to sidewall stud

## Beneath the Surface

At Newmar, our relentless pursuit of quality is a source of great pride. That's why we're not afraid to reveal what we're really made of. When you look below the surface you can see our construction is unlike any other. We don't take short cuts, we construct. Our units are framed like the framing in your home. No matter which model you buy, each Newmar motorhome is assembled on the same production line, built with the same high standards and care. Newmar Quality: A Way of Life, and we mean that from the inside out.

*We prefer sidewall framing 16 inches on center with aluminum studs. Why? Because this construction provides room for more insulation and allows wall outlets to be positioned like those in your home. In addition, this sidewall doesn't depend on the lamination process for its strength.*

36 Months  
OR  
36,000 Miles

The Best Warranty in the Industry

## Delivering on Our Promises

The Newmar warranty is as straightforward and honest as our philosophy — build an excellent product and stand behind it all the way. We take pride in the fact that our 36-month or 36,000-mile, bumper-to-bumper limited warranty is the best in the industry. Being the best has many advantages. Not only do our customers go home with confidence and peace of mind, they go home with a warranty that is easy to read and understand, with no hidden fine print or confusing language.

At Newmar, we engineer quality into everything we build and require the same high standards of every component we include in our products. So, when you compare warranties, check the fine print. We think you will find our warranty amazingly simple and surprisingly complete... just the way our customers want it.

Exacting quality, simple language, and products you can trust and enjoy. That is the Newmar promise.

\*Warranty does not cover tires, batteries or chassis. The chassis is covered by the individual manufacturer's warranty.
