

2004 AMERICAN STAR  
FIFTH WHEEL BY NEWMAR

# 2004 AMERICAN STAR

FIFTH WHEEL BY NEWMAR

DESTINATION:

*Summer, Smoky Mountains*

NEWMARCORP.COM

*Such wild, awesome beauty greeted us around every bend!*

Every destination—not to mention each stop along the way—seems a place of magic when your travel companion is an American Star Fifth Wheel. It's all about comfort. And American Star has it to spare, beginning with the value it represents. Who would have thought that a coach with such high-end features as a huge pass-through storage area and truly sophisticated interior styling could be so budget-friendly? Well, anyone who knows Newmar's reputation for smart design and cost-efficient manufacturing, that's who! Now, isn't it time you experienced an American Star?

29CEBK/Blue Spray

29CEBK/Blue Spray

B

- A. Cabinets above the sink are recessed, giving you more room to maneuver when washing dishes or preparing food.
- B. Stand tall: Our new raised roof eliminates the need for steps and increases ceiling height to 6'6".
- C. The roomy, accommodating booth dinette makes a pleasant setting for meals, conversation or gaming.
- D. Spacious, easy-cleaning laminate countertops simplify meal preparation.

D

JUNE 10 ~

*We learned at the visitors center that it was the Cherokees who named these mountains. They called them "the place of blue smoke."*

B

- A. Striking window treatments with day/night shades grace the living room.
- B. A slideout opens the living area, making it much more accessible and giving you plenty of room to stretch out and relax.
- C. Pack everything you want: The unobstructed pass-through bay provides maximum storage space without sacrificing frame strength.
- D. The convenience of home is yours with this bedroom vanity mirror.

# NEWMAR'S FREEDOM WARRANTY™

Your American Star Fifth Wheel is built to take you as far as your road rolls on...for as long as you roll on with it. Because there's more than enough solid engineering here to ensure years of travel pleasure.

American Star is assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also embodies Newmar's long history of product innovation and industry "firsts." For us, it's a matter of pride. And tradition. Of taking personal responsibility and building a product that each of us, ourselves, would want to own.

As proof of our commitment, we back every RV we make with a two-year, bumper-to-bumper limited warranty: The Newmar Freedom Warranty. Ask your dealer for details. You're sure to find coverage this comprehensive a truly liberating experience.

Floor Construction

- A. Plush carpet\*
- B. Carpet padding
- C. 5/8" floor decking
- D. 2" x 3" wood stringer
- E. Fiberglass batten insulation
- F. Polyethylene moisture barrier

*\*Ceramic tile, simulated floor and simulated tile options also available.*

Sidewall Construction

- A. Plywood interior wall board
- B. 1.5" C-channel aluminum studs with punched holes
- C. Fiberglass insulation
- D. Composite one-piece exterior sidewall (gel coat optional)
- E. Framed windows
- F. Aluminum sidewall structure with 16" on-center framing

Roof Construction

- A. Vinyl overlay
- B. 3/16" panel
- C. 1" tubular aluminum truss rafter with full joint weld
- D. Welded aluminum crowned roof structure with 16" on-center framing
- E. True Central Air Conditioning—insulated ducted distribution and return
- F. Fiberglass batten insulation
- G. 7mm wood decking (optional)
- H. Aluminum or optional Brite-Tek roof
- I. One-piece fiberglass caps
- J. Aluminum wrap

**TRUE CENTRAL AIR:** Newmar's True Central Air System—standard with every Newmar RV—is just like those found in most site-built homes. It's actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.
