

2005 | DUTCH STAR DIESEL PUSHER
by Newmar

LET YOUR DREAMS LEAD ON

SET OFF IN A DUTCH STAR DIESEL PUSHER
MOTORHOME, AND THERE'S VIRTUALLY
NO LIMIT TO WHERE YOU CAN GO.
YOU'LL THANK NEWMAR'S EXPERIENCED
DESIGNERS AND ENGINEERS FOR THAT.
THEY'VE GIVEN DUTCH STAR ALL THE
POWER, PERFORMANCE AND PERSONALITY
NEEDED TO PUT ANY DESTINATION WITHIN
REACH AND MAKE IT COME ALIVE.

CHECK OUT ITS GENEROUS INTERIOR
SPACE... ITS ENGINE CHOICES...
ITS WEALTH OF AMENITIES, INSIDE
AND OUT... ITS EXCITING FULL-PAINT
MASTERPIECE FINISH,[™] A STANDARD
EXTERIOR FEATURE... AND ITS
UNCOMPROMISING CONSTRUCTION.

DUTCH STAR IS TRULY A MOTORHOME
BUILT FOR ADVENTURE. JUST FOLLOW
YOUR HEART—AND ENJOY.

LIVE LARGE WHEREVER YOU GO

Slideout

Dutch Star's living area slideouts significantly expand your living options and your comfort—which is what you'd expect from Newmar, the pioneer in RV slideouts.

Window Treatments

Dutch Star's standard large-scale double-pane windows are offset by beautiful interior treatments, including elegant lambrequins and pleated day/night shades.

Lighting

Dramatic wall sconces with a clean, classic look put light where you need it—and lend ambiance to the main living area.

Decorative Molding

Recalling the rich architectural detail of fine traditional homes, the trimwork surrounding the slideout opening features decorative molding accents.

ABOVE: Switch on the optional 32-inch LCD color TV. The Dutch Star also features a Sony® DVD, VCR and AM/FM stereo combo unit with Surround Sound and subwoofer for the ultimate experience.

RIGHT: Talk about convenience: This plush Euro-recliner with ottoman is positioned next to a wall-mounted lamp stand.

BELOW: The Dutch Star's standard Easy-Bed sofa folds out for extra—and extra restful—sleeping accommodations. It also has a large storage drawer in the base.

4009/Salsa

Innovative Concept #15:

Easy-Bed with Storage Drawer

A kitchen featuring wooden cabinetry, a built-in microwave, a refrigerator, and a three-burner range. The countertop is white with a sink and various kitchen items. A red and white checkered towel hangs from the range handle.

*Dometic®
Refrigerator*

Microwave Oven

Custom Cabinets

Three-Burner Range

FEEL THE WARMTH AND GENEROSITY

Three-Burner Range

The standard three-burner recessed range has sealed burners for easy cleanup and a Corian® bi-fold cover that closes flush with the countertop.

Microwave Oven

This 30-inch convection microwave oven really increases your cooking options.

Dometic® Refrigerator

The 10-cubic-foot Dometic refrigerator features a hardwood raised-panel front for that custom built-in look.

Custom Cabinets

Kitchen storage space is very generous in the Dutch Star. Cabinets feature oak hardwood raised-panel, double-arched doors.

4024/Antelope

ABOVE: Blending beautifully with the surrounding cabinetry is this optional large-capacity in-drawer dishwasher.

RIGHT: The hidden-leaf dinette table is complemented by two plushly upholstered freestanding sidechairs and two upholstered folding chairs, creating a pleasant, roomy setting for meals, conversation or gaming.

BELOW: The undermounted acrylic sink features flush sink covers and a pullout single lever faucet. The pullout cutting board and flip-up extension adds to the already generous amount of available Corian countertop space.

*Deep
Wardrobe*

Reading Lights

Overhead Cabinets

Queen Bed

SOOTHE YOUR SPIRITS WITH EASE

Queen Bed

The Dutch Star bedroom offers a luxurious king- or queen-sized pillow-top mattress depending on floorplan. It is enhanced with a quilted headboard and bedspread with reverse sham and accent pillows. The bed lifts up, giving you access to a spacious storage area underneath.

Reading Lights

Individual reading lights are mounted above the headboard at each side of the bed.

Overhead Cabinets

Convenient cabinets above the headboard let you stow more of your favorite clothing, bedding or personal items.

Deep Wardrobe

The deep wardrobe with its compartmentalized shelving not only lets you stow more but lets you organize your belongings much more efficiently.

4024/Antelope

ABOVE: Some floorplans feature this stylish and wonderfully comfortable side chair with a pullout ottoman.

RIGHT: In addition to offering plenty of cabinet space, the bathroom features an easy-cleaning Corian® countertop, a sink with a single-lever faucet and a tub/shower surround with a shower door.

BELOW: Lots of deep drawers and cabinets—including a lift-up storage compartment beneath the bedroom window—let you bring what you need for the long haul. A standard Sony® flatscreen color TV is built into the cabinetry, high enough for easy viewing from bed.

4024/Antelope

4024/Antelope

A. The stylish, easily readable gauges have a European flair.

B. Cab seating features lumbar support and six-way power adjustment to keep you comfortable mile after mile.

C. This AM/FM dash radio features a CD player. Optional are a multi-disc CD player and SIRIUS Satellite Radio capability.

D. Optional OnStar® lets you access up-to-the-minute driving information and timely assistance with the touch of a button. Your first year of service is included.

E. The Dutch Star cab is truly the "Driver's Command Center." All dashboard gauges and controls are well within view and reach including controls for the hydraulic jacks. Other top features include a tilt-and-telescopic VIP SMART wheel, adjustable pedals and a color rearview back-up monitor with optional GPS navigation.

F

G H

I

J

F. Dutch Star offers an exterior entertainment center including a 22-inch flatscreen LCD color TV mounted on a swing-out arm, AM/FM with CD stereo and two speakers, all of which are contained in a separate stereo compartment.

G. Discover the convenience of RV access through optional keyless entry.

H. The exterior rearview mirrors feature remote control and defrost.

I. You'll appreciate how easy it is to access Dutch Star's 8.0 kW PowerTech® quiet series diesel generator, located in a convenient front pullout compartment.

J. The expansive basement pass-through compartment with side-hinged doors under passenger-side slideout is not only lighted but comes with optional pullout storage trays.

THE NEWMAR KOUNTRY KLUB

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Join your local chapter, and just look at the perks you'll enjoy: friendship, fun and adventure with other Newmar owners • rallies and caravans • special RV show events • discounts on RV services • a free monthly Klub magazine • Klub merchandise. And that's just for starters.

Join today. Call 877.639.5582, toll-free, or visit the Kountry Klub section of newmarcorp.com.

PROTECTED C-CHANNELS

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

NOTHING ENDURES LIKE A NEWMAR

Your Dutch Star Diesel Pusher Motorhome is built to go the distance. And for good reason: It's assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar motorhomes. It also reflects Newmar's long history of product innovation and industry "firsts." For us, this is a matter of pride. And tradition. Of taking personal responsibility and building a product we ourselves would want to own.

For the third year in a row, Newmar has won RVDA's Quality Circle Award, given in accordance with the results of an annual RV dealer satisfaction survey. The survey asks RV dealers to evaluate manufacturers' performance in four major categories: Sales Support, Product Competitiveness, Service and Warranty Support. We are honored to receive this award, of course. It tells us that our efforts on behalf of our dealers and customers are appreciated. And we will continue working to keep their trust.

16" ON-CENTER FRAMING

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

SIKAFLEX®

Sikaflex elastic adhesive is one of the strongest adhesives on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

TOTAL COMFORT™ NEWMAR CENTRAL AIR CONDITIONING

Newmar's Total Comfort Central Air Conditioning system—standard with every Newmar RV—is just like those found in most site-built homes. It's actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

NEWMAR FREEDOM WARRANTY™

As proof of our commitment to you, we at Newmar back every Dutch Star Diesel Pusher Motorhome we make with our industry-leading three-year/50,000-mile limited warranty: The Newmar Freedom Warranty.* Ask your dealer for details. Coverage this comprehensive is really liberating.

**Please see a Newmar dealer for a copy of the complete terms of the Freedom Warranty.*

FULL-PAINT MASTERPIECE FINISH™

Newmar's Full-Paint Masterpiece Finish creates an exterior of stunning beauty and incredible endurance—a true work of art. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Dutch Star Diesel Pusher Motorhome standard.

DIAMOND SHIELD

Diamond Shield Front Paint Protection Film is standard on all Dutch Star Diesel Pusher Motorhomes. Diamond Shield Film protects the front against stone chips, scratches and bug acids. Diamond Shield Film is optically clear with a high gloss designed to keep the Full-Paint Masterpiece Finish looking new.

FEATURES

STANDARD FEATURES

Lengths, Heights, Widths and Dry Weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants.

The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.

* Specifications supplied by chassis manufacturer.

MOUNTAIN MASTER

The Mountain Master chassis is America's most popular, premium, high horsepower diesel pusher. This premium world-class chassis is the flagship of Spartan Chassis, Inc. The Spartan Mountain Master and Mountain Master GT doesn't just lead the way, it paves the way! Experience the power, the superior ride and handling, plus the excellent driving performance with the Spartan Mountain Master chassis. The Mountain Master chassis provides excellent resale value and carries a 36 month, 50,000 mile, no deductible warranty, which includes road side assistance for the entire warranty period. So sit back and enjoy the ride!

In keeping with our tradition of bringing our customers the highest-quality products in the industry, Newmar works with the following manufacturers to supply components for our vehicles.

THE NEWMAR FACTORY TOUR

We'd love to have you visit our state-of-the-art production facility in Nappanee, Indiana. Factory tours are given Monday through Friday at 10 a.m. and 1 p.m. (Indiana time). Pre-registration is not required—but is helpful, since tour-group sizes may be limited from time to time. Please arrive 15 minutes before the hour and check in at the tour area that is located in Building Nine on Cheyenne Street. No open-toed sandals can be worn, and children under the age of eight are not allowed to take the tour. For more information or to pre-register, please call 800.860.0086.
