# NOTHING ENDURES LIKE A NEWMAR

Your Scottsdale Gas-Powered Motorhome is built to go the distance. And for good reason: It's assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar motorhomes. It also reflects Newmar's long history of product innovation and industry "firsts." For us, this is a matter of pride. And tradition. Of taking personal responsibility and building a product we ourselves would want to own.

For the third year in a row, Newmar has won RVDA's Quality Circle Award, given in accordance with the results of an annual RV dealer satisfaction survey. The survey asks RV dealers to evaluate manufacturers' performance in four major categories: Sales Support, Product Competitiveness, Service and Warranty Support. We are honored to receive this award, of course. It tells us that our efforts on behalf of our dealers and customers are appreciated. And we will continue working to keep their trust.

**16" ON-CENTER FRAMING**

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

**SIKAFLEX®**

Sikaflex elastic adhesive is one of the strongest adhesives on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

**TOTAL COMFORT™  
NEWMAR CENTRAL AIR CONDITIONING**

Newmar's Total Comfort Central Air Conditioning system—standard with every Newmar RV—is just like those found in most site-built homes. It's actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

**NEWMAR FREEDOM WARRANTY™**

As proof of our commitment to you, we at Newmar back every Scottsdale Gas-Powered Motorhome we make with our industry-leading three-year/36,000-mile limited warranty: The Newmar Freedom Warranty.\* Ask your dealer for details. Coverage this comprehensive is really liberating.

\*Please see a Newmar dealer for a copy of the complete terms of the Freedom Warranty.
