Dive into Your Dream RV

It may not be your first RV, but because Kountry Aire has everything you've wanted in a premium fifth wheel, it could be the last one you buy.

You're a seasoned RVer. You've owned other recreational vehicles, and you know what your ideal RV needs to be. You spend weeks or months on the road — or maybe you're a full-timer. So you want reliable luxury to come home to after your adventurous days, no matter where you wander.

Newmar reinvented its 2006 Kountry Aire just for you. No detail has been spared. Legendary Newmar quality is designed within. And this fifth wheel was created from the road up to artfully blend superior functionality with thoughtful amenities that welcome and pamper you.

So jump in and let Kountry Aire's luxurious offerings wash over you . . .

First-Class Amenities...

Your RVing experience tells you it's those little things that mean so much. In a Kountry Aire, everything works in unison to create truly unique interior spaces. You'll appreciate friendly touches like the grandfather clock in the main living area. It echoes the warm tones of the solid wood cabinetry. You'll marvel at the intricacy of the sculpted slideout fascias. Then notice how that feel flows to the rounded hardwood window moldings, leaded glass cabinet doors and hardwood crown molding. The padded vinyl ceiling adds an elegant look, while helping quiet your sanctuary. This inviting living space is highlighted with carefully placed, recessed lighting to perfectly accent the décor and furnishings.

All unit photos are of model 37KSWB, shown with the following optional equipment: Corian® countertops, two folding dinette chairs, electric fireplace, Coastal Cherry hardwood, dual pane windows and electric awning.

Begin With Careful Details

Slumber Comes Easy...

...in the refined charm of the Kountry Aire stateroom. You enter this restful place through a hardwood, six-panel sliding door coordinated with the rich wood trim. The queen-size bed has a Lazy Ways™ memory foam mattress topper that molds to the contours of your body for restful, therapeutic sleep. A king-size bed is also available. SuperStorage™ features abound in the Kountry Aire. The bed lifts easily with hydraulic assist to reveal a spacious storage area underneath. The wide, deep wardrobe with mirrored doors has handy shelving for shoes, a cedar-lined top shelf for smaller items as well as a built-in floor safe. The opposite wall vanity unit has abundant cabinets, a cedar-lined laundry hamper and a 20-inch color TV. The bathroom also offers plenty of storage space above and below the solid surface countertop.

The roomy shower boasts a one-piece fiberglass surround with molded-in seat. Touches like the glass enclosure, shower light and dual towel bars contribute home-style look and feel. The separate water closet features an Aqua Magic™ Style Lite toilet with spray attachment. Overhead, the Create-A-Breeze™ ceiling fan is a standard amenity. You'll also find 12-volt and 110-volt electrical system circuit breakers tucked behind hardwood raised-panel cabinet doors on the rear wall.

Nothing Says "You"...

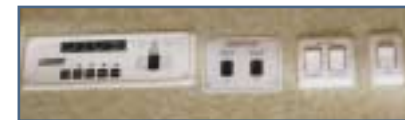

Whether you're entertaining or just enjoying some quiet time, Kountry Aire interiors make a statement about you. Well-planned décors remember the cozy touches. Sculpted carpeting with high-density padding, decorative wall borders and hardwood chair rails are a few of the many features that mirror your sense of style. Premium-grade Flexsteel® hide-a-bed sofa beautifully anchors the living area. Décor-coordinated Flexsteel® easy chairs glide and recline, while Queen Anne style end tables add a quaint touch.

Like a Kountry Aire

Enjoy sights and sounds of the Kountry Aire entertainment center (A), including a 27-inch flat screen color TV, surround sound audio system with DVD/CD player, AM/FM stereo tuner and a handy selector switch for choosing video sources. Another touch that makes Kountry Aire special is the beautiful built-in grandfather clock. (B)

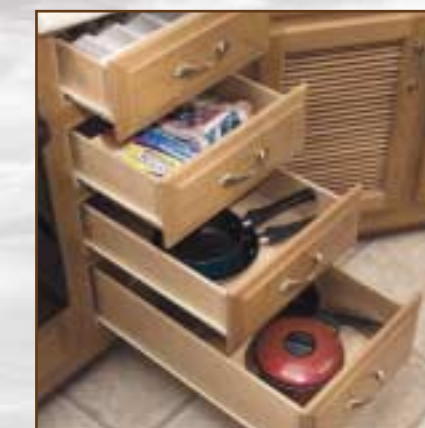

Kountry Aire beauty is functional, too. All light switches (C) are thoughtfully grouped — including a door-side switch that controls power to all exterior convenience lights. The systems command center (D) is housed in a sleek hardwood cabinet above the entry door. In warm climates, you stay cool and comfortable thanks to Newmar's exclusive Total Comfort™ central air conditioning system (E). The custom-designed system puts more cool air where you need it the most. Zone heat sensors (F) are coupled to the thermostat (G) to bring unequalled heating and cooling balance throughout the Kountry Aire.

As a beacon of culinary inspiration, nothing quite defines the good life like your RV's kitchen and dining appointments. Whipping up a quick snack or creating a gourmet dinner, the Kountry Aire kitchen puts all the conveniences right at your fingertips. The flush-mount, three-burner range boasts electronic ignition and a 22-inch oven with glass door. When not in use, the range nestles beneath a color coordinated, bi-fold, solid surface range cover — providing extra work space. A combination 30-inch microwave/convection oven is mounted at eye level, above the range, for added convenience. The thermostatically controlled, 10-cubic-foot refrigerator ensures perishables stay fresh, and frozen foods stay frozen.

The solid surface countertop provides a deep, wide work area. Simply drop in the dual sink covers over the expansive residential-size kitchen sinks for even more countertop space. Put water right where you want it with the antique brass, detachable kitchen faucet spout.

Savor the Experience...

SuperStorage™ cabinetry abounds with space for all your provisions. Crafted from hardwood, cabinets are fully finished — including drawer interiors — and feature toe kicks at floor level with full ventilation. The pantry has fully adjustable slide-out drawers to suit your storage needs. Some models offer the option of a dual pantry (shown at right), providing the capability for one side of the pantry to become a closet or wardrobe complete with hanging rod. You'll also love the extra deep drawers throughout that glide smoothly on metal guides.

In the dining area, you'll appreciate the beauty and convenience of the freestanding "Super Slider" hardwood table with a hardwood fluted pedestal base. Simply pull the table out to accommodate two more guests. Two fully padded chairs are included — and two additional chairs are optional. A decorative globe light over the table sets a festive mood for any meal.

Newmar Strength...Designed into Every KOUNTRY Aire

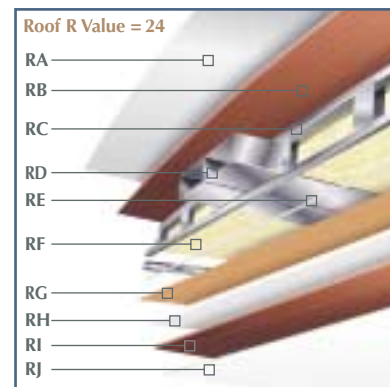

Your Kountry Aire fifth wheel reflects Newmar's long history of product innovation and industry "firsts." You can depend on the exacting standards and meticulous care by which this fifth wheel is built. It's a showcase for Newmar value.

Newmar continues to be recognized by the National RV Dealer Association with the Quality Circle Award for its efforts on behalf of customers and dealers.

Newmar Express Limited Warranty

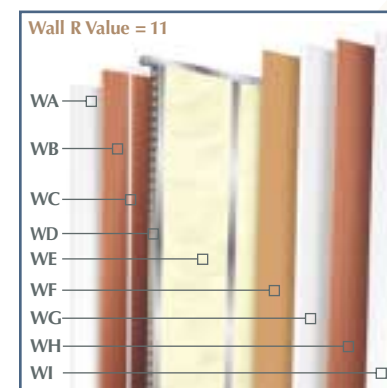

As proof of our commitment to you, we at Newmar back every Kountry Aire fifth wheel with our industry-leading, two-year Newmar Express Limited Warranty. Ask your dealer for details.

- FI. Aluminum Underbelly 4' x 8' Sheets

Newmar

Fit & Finish—Like No Other

A

Take a close look at how the Kountry Aire is put together. Starting with the extraordinarily robust frame, quality was designed in from the very beginning to provide an incomparable superstructure. Then Newmar engineers finished it off with a 101-inch wide-body design and a sleek, aerodynamic automotive look that turns heads.

B

(A) The fully enclosed underbelly of sheeted aluminum with 5/8" bead foam insulation protects insulated and heated holding tanks.

(B) Kountry Aire tows dependably on dual tandem axles and 16-inch Goodyear® tires as standard equipment. MOR/ryde® RE suspension with shocks and wet bolts significantly cushions and absorbs road shock to provide a softer ride and smoother, safer towing. Stainless steel wheel simulators are standard, too.

(C) The water works compartment is lighted and heated. It includes an in-line water filter, gate valves, city water connection and black tank flush.

(D) Dark tinted safety glass windows provide protection from sun and add privacy—complementing the Kountry Aire's distinctive good looks.

(E) Undermounted and recessed 16-inch Goodyear® spare tire is accessed via a handy lift mechanism behind a lockable door.

(F) Conveniently located dual battery box compartment accepts your choice of RV batteries.

C

D

E

F

G

H

(G-H) Expansive SuperStorage™ pass-through storage area is heated and lighted. It boasts a pullout storage tray, a handy cargo hook, cargo net and three-way access. Hydraulic assist struts on the compartment doors allow for easy loading and unloading of items and are adjustable for hold-open heights.

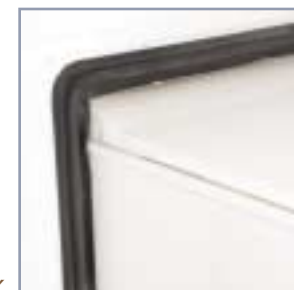

(I) Manually operated sliding porch with triple step and handrail is standard. It provides a wider platform for safety and stability entering and exiting the coach. A power option to the porch is also available with easy-to-reach control in a weatherproof compartment.

I

J

K

(J) The Newmar designed slideout mechanism provides years of smooth, dependable service.

(K) Newmar's specifically designed wedge-like slide-out roof ensures a tight seal against the elements and a built-in water run-off feature.

(L) Utility components are located in a separate, easily accessible compartment within the main pass-through storage area.
