TORREY PINE

Fifth Wheel

by Newmar

More

If you had to use a single word to describe the all-new 2006 Torrey Pine fifth wheel, it would simply be “more.” More comfort. More amenities. More of everything you want to enhance your RVing adventures.

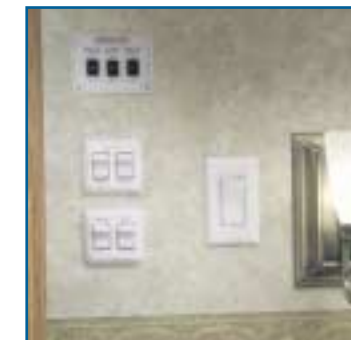

How do we do it? At Newmar, we delight in the details. That’s why the Torrey Pine gives you so much more for your money. You get standard features that are optional — or not even available — on other units in its class. What’s more, those features aren’t just tacked on, they’re designed in from the very start. For instance, when you first enter a Torrey Pine, home-like ambience embraces you. Delight in the leaded décor glass doors of the living room overhead cabinets. Savor the intricate detail of center and corner blocks on

More Ways to Enjoy Your Special RV Lifestyle

designer slide fascias. Relish the comfort of two glider/recliner chairs. Appreciate the decorative reading lamps on slideout walls. Sample the convenience of thoughtfully grouped lighting and systems switches.

More of everything. That’s the Torrey Pine difference, as only Newmar can do it.

More

Torrey Pine kitchen and dining amenities bring families together. Thoughtful design helps. You'll enjoy more home-style convenience in the well-laid-out kitchen [A] — and more relaxed meals in the roomy dinette [B]. The freestanding table comes with two sleek, padded chairs with under-seat storage compartments. Simply extend the "Super Slider" table and add two optional chairs to accommodate two more diners. Newmar remembers the details that make a big difference: recessed toe kicks at cabinet bottoms [C], smooth opening drawers with metal guides [D], molded silverware organizer, paper towel holder and kitchen wastebasket, to name a few.

Meal prep is a breeze in a Torrey Pine. The kitchen's solid surface countertop with Corian® edging and backsplash stands up to years of gourmet creativity. The molded acrylic sink [E] comes with two Teflon® covers to expand your work surface. The single-handle faucet has a detachable spout that doubles as a handy sprayer. Additional SuperStorage™ features include abundant cabinets — all crafted with durable hardwood, raised panel doors. A full-height pantry has adjustable, slide-out shelves to put all food items within easy reach. Oversized appliances round out kitchen functionality. The thermostatically controlled, 10-cubic-foot refrigerator blends

beautifully into the décor with hardwood door panels. The flush-mount, three-burner range gives you a 22-inch oven and handy, bi-fold top cover. There's even a Corian® knife holder built into the countertop behind the range. A space-saver microwave oven puts your entrée or snack at eye level for added convenience.

Your Torrey Pine kitchen. From decorative wall borders down to easy-maintenance vinyl floor, no detail is spared. But then that's what you'd expect from Newmar.

Kitchen photo shown with optional 12" marble-look floor tile, central vac and folding dinette chairs.

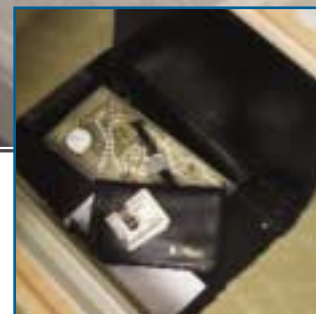

The Torrey Pine bathroom gives you more amenities.

The roomy shower has its

own light — and a handy seat. A 10-gallon gas/electric DSI™ water heater ensures plenty of hot water for relaxing showers. The acrylic sink is mounted in a seamless, solid surface countertop and sports a single-lever faucet. There's plenty of cabinet space below, plus a mirrored medicine chest and high-mounted light strip above. The Torrey Pine systems monitor panel is positioned at your fingertips on the wall behind the sink. The toilet is in a separate compartment with a full-size, hinged door. The compartment also houses the 12-volt and 110-volt electrical system circuit breakers behind oak cabinet doors.

Behold A Restful Retreat

Enjoy the sanctuary of Torrey Pine's bedroom suite. Sculpted carpeting, décor-coordinated quilted comforter with pillow shams, designer headboard, intricate bed slideout fascia corner blocks and the gentle elegance of pleated window shades team up to cradle you in luxury. In bed, you're supported by a luxurious pillow-top, queen-size mattress. It conforms to your body shape for soothing slumber support and comfort. Two built-in speakers with on-off switch enable you to enjoy your favorite music from the Torrey Pine entertainment center. This comfy bedroom environment is matched only by the convenience of its SuperStorage™ design with large storage drawers in the bed base. The full-width wardrobe with mirrored doors adds spacious storage flexibility — you'll have more clothes hanging and accessory storage than you imagined possible in a mid-range fifth wheel bedroom. There's even a built-in floor safe — one more example of the many standard convenience features that makes this RV your well-appointed retreat. Cabinets and drawers surround the door-side window for storage space galore! The unit includes a cedar-lined laundry hamper, a vanity top, and a shelf for the included 13-inch color TV.

Newmar Value...Designed Into Every

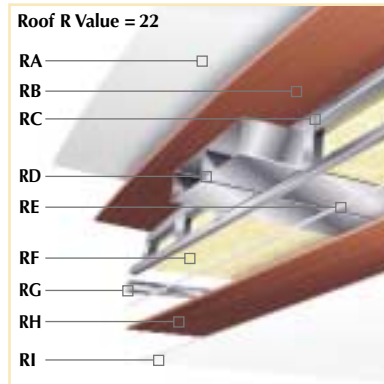

TORREY PINE

Your Torrey Pine fifth wheel reflects Newmar's long history of product innovation and industry "firsts." You can depend on the exacting standards and meticulous care by which this fifth wheel is built. It's a showcase for Newmar value.

TORREY PINE "Great Eight" Standard Exterior Value Features

EZ Lube® Axles allow RVers to periodically lubricate the bearings without removing hubs from the axles.

Insulated and heated holding tanks are protected by the fully-enclosed underbelly.

Undermounted 16-inch G-rated Goodyear® spare tire is easy to access with lift kit.

Dark tinted safety glass windows provide protection from sun and added privacy — and enhance the RV's distinctive good looks.

Conveniently located dual battery box compartment accepts your choice of RV batteries.

In-line water filter helps ensure plenty of clean, clear water wherever you travel.

Late-night hook-up light at sewer hose termination point.

MOR/ryde® RE suspension with shocks and wet bolts significantly cushions and absorbs road shock to provide a softer ride and smoother, safer towing.
