

2006 VENTANA

DIESEL PUSHER

by Newmar

We're open to anything.
Just make it fun.

Bold colors? The bolder, the better.
Modern design? Tomorrow's too old.
For us, it's all about breaking the mold.
And rediscovering the joy of discovery.
Ventana. It's sure not our grandad's RV.

Norcold® Four-door Refrigerator

Sleek styling is only part of the picture. With its integrated icemaker, this option brings added homestyle convenience to your kitchen.

Your Ventana Kitchen

Cook with flair. Your Ventana kitchen features ultra-modern built-in appliances, undermounted sinks with double-handle faucets, décor-coordinated solid-surface countertops and generous cabinets with contemporary hardware.

Ultraleather Cirrus Hide-a-Bed Sofa

Talk about comfort and convenience: Just unfold the cushions, and Ventana's optional Ultraleather Cirrus Hide-a-Bed sofa expands your sleeping accommodations.

Newmar's legacy lives on in startling new ways.

No doubt about it: Ventana is a radical departure from the norm in RV design. There is simply nothing else like it. From the furniture to the trim, the styling is bold and uniquely contemporary. Colors and fabrics are exotic, original, thoroughly unexpected—and thoroughly captivating. You can be sure, though, that Ventana is pure Newmar. It beautifully reflects our heritage of innovation and our eye for the details that make RV living come alive. We are pleased to offer Ventana to a new generation of RV enthusiasts.

Dinette/Sleeper

Storage in the base. A flip-up dinette table. Easy conversion from a dinette to a kid's bed. And one-of-a-kind styling that's out of this world. That's Ventana's not-so-standard standard dinette.

Bathroom Amenities

Easy-cleaning, solid-surface countertops, ample cabinet space and a decorative glass shower door are but a few of the Ventana bathroom's thoughtful — and boldly designed — conveniences.

Off to Dreamland

Ventana bedrooms offer either king or queen beds with a quilted headboard and bedspread, a reverse sham and accent pillows. The bed lifts up to reveal a large bed-base storage area.

Protected C-channels

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

Sikaflex®

Used throughout Newmar construction, Sikaflex elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

Newmar Express Limited Warranty

For your protection and peace of mind, we at Newmar back your Ventana Diesel Pusher with one-year/unlimited-mileage warranty coverage: The Newmar Express Limited Warranty. Ask your dealer for an explanation and a copy of the warranty's complete terms.

Newmar Total Comfort™ Central Air Conditioning

Experience RV air conditioning just like that found in site-built homes. Newmar's Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

16" On-center Framing

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

Pass-through Storage

Stow all your favorite travel gear — from either side of the coach — in this huge exterior pass-through compartment. Side-hinged swing-out doors give you easy access, as do the optional slideout trays.

Exterior Entertainment

A popular option, this enclosed system includes an LCD flatscreen color TV mounted on a swing-out arm, a Sony® AM/FM stereo with a CD player and two speakers.

Innovative End-cap Designs

Front and rear, Ventana's strikingly styled end caps harmonize the various exterior elements, giving the coach a look that's sleek and unique.

Advanced Dash

Ventana's impressive dash configuration puts you in command. All gauges and controls are right where you need them.

A plan for every floor and a floor for every plan.
