

NEWMAR

VENTANA

2008 DIESEL MOTORHOME

 Comfort Drive[™]
STEERING

Leave Tradition Behind

When you're ready to embark on your next adventure, the Ventana Diesel Pusher will confidently guide you along the way. It's a bold leader in its class, from its innovative design, to its modern conveniences, all the way down to its rich details. For 2008, the Ventana offers you more ... of everything. New amenities and comforts to enhance your travels. And some stylish touches that create an attractive environment. The only thing that's traditional about this RV is its Newmar quality. It's built with the same craftsmanship as any other Newmar. So it's durable ... dependable ... and priced within a range that's not off limits.

Contemporary Living for Any Journey

The spacious living area of the 2008 Ventana offers beauty and style with an optional extended simulated marble floor, a Corian® backsplash above the solid-surface countertops and optional Fall Spice cabinetry.

VENTANA
2008 DIESEL MOTORHOME

Shown in 3933 floorplan with Salsa Red Décor and Fall Spice Cabinetry.

KITCHEN AMENITIES

The kitchen features attractive mission-style cabinetry and a sink with a water filter and drink dispenser that provide clean, great-tasting water.

VENTANA MICROWAVE

The standard convection microwave oven makes cooking and reheating meals quick and simple.

FRONT-ROW ENTERTAINMENT

In the living area, an overhead 26-inch LCD TV offers entertainment options for those onboard.

FROM RELAXING TO RESTING

The optional Ultraleather hide-a-bed sofa easily converts into comfortable sleeping accommodations.

BEDROOM AMENITIES

The bedroom features generous cabinets and a 20-inch LCD television that's ready to entertain.

WASHER AND DRYER

The optional one-piece or two-piece washer and dryer will help you keep your clothing fresh and clean throughout your travels.

BATHROOM AMENITIES

In the lavatory, new drawers under the sink provide plenty of space for personal items. The Fiberglass shower, featuring a stone-look finish, and the obscure-glass shower door add subtle touches of refinement.

Perfect Escape

Whether it's bedtime, naptime or just time for some relaxation, the Ventana bedroom is a welcoming sanctuary for the tired. The king or queen bed, with a new wooden headboard, offers plenty of room and loads of comfort. And two bedroom radio speakers add some listening pleasure—or background music when drifting off to sleep.

VENTANA
2008 DIESEL MOTORHOME

PRIVACY SHADE

The dash includes features such as an electronic compass and temperature display and puts controls and gauges within easy reach, while the one-piece windshield provides an uninterrupted view of your surroundings. A new pull-down privacy shade gives you instant discretion, whenever it's needed.

In the Captain's Seat

Ultraleather seats with Ergo-Flex arms, six-way power adjustment and power lumbar give the driver—and front passenger—the best seats in the house.

And conveniences such as the rearview monitor system and Comfort Drive™ steering enhance the driving experience.

EXTERIOR CONVENIENCE CENTER

The exterior convenience center houses the main water compartment that controls all plumbing functions in the motorhome and features a hot- and cold-water showerhead, a soap dispenser and a paper towel holder.

SIDEVIEW CAMERAS

Optional sideview cameras let you see more, reducing blind spots and making lane changes easier.

VENTANA
2008 DIESEL MOTORHOME

Comfort Drive™
STEERING

AUTO-CENTERING

Regardless of the position of the steering wheel, even after a hard turn, it always returns to center automatically.

EASY TURNING

The Comfort Drive steering system seriously reduces the effort required in handling your coach.

BACKING UP

Comfort Drive makes backing into your campsite a much easier task through reduced effort and auto-centering.

Spartan® Mountain Master Chassis with Comfort Drive

Together, the powerful Spartan Mountain Master diesel pusher chassis and our exclusive Comfort Drive™ steering system provide superior ride and handling and excellent driving performance. The Mountain Master chassis is one of the most reliable chassis on the market, backed by a 36-month, 50,000-mile, no-deductible warranty, including roadside assistance. Comfort Drive steering reduces the driver's efforts in taking the wheel and controlling the coach in situations such as parking, cornering and backing up, automatically correcting steering to improve maneuverability.

Newmar Total Comfort™ Central Air Conditioning 
Experience RV air conditioning just like that found in site-built homes. Newmar's Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

Protected C-channels

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

1. 13.5M Penguin™ Heat Pump Central Air Conditioners (2)
2. One-piece Windshield
3. Coated Aluminum Wheels
4. Double-pane Tinted Safety-glass Windows
5. Side-hinged Baggage Doors with Optional Pullout Tray

Sikaflex®

Used throughout Newmar construction, Sikaflex® elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

16" On-center Framing

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

Newmar Express Limited Warranty

Every Ventana Diesel Pusher is backed by Newmar's one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

The Limited Five-Year Structural Warranty

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years, from the date of purchase, due to faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

Full-Paint Masterpiece Finish™

Newmar's Full-Paint Masterpiece Finish raises the exterior beauty and durability of our motorhomes to a whole new level. This model year, we're offering our richest-looking graphics ever—to lend even more character and class. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Ventana Diesel Motorhome standard.

Some features shown in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floorplans are subject to change at Newmar's discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.

The Newmar Touch

We craft every motorhome with a special attention to detail, no matter how small or large. From the feel of the fabric, to the smooth touch of the custom-built cabinets, to our selection of color options. Every little detail and finishing touch contributes to the overall style and comfort of each motorhome. Whether you look from afar or study them up close, you'll notice the Newmar difference.

SPARTAN MOUNTAIN MASTER CHASSIS

The Spartan Mountain Master and Mountain Master GT don't just lead the way, they pave it! Spartan's Mountain Master chassis is America's most popular, most reliable, highest-performing diesel pusher. Experience the power, the superior ride and handling and excellent driving performance your coach built on a Spartan Mountain Master chassis has to offer. The Mountain Master chassis provides excellent resale value and carries a 36-month, 50,000-mile, no-deductible warranty, which includes roadside assistance for the entire warranty period. Sit back and enjoy the ride!

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

¹ Lengths do not include the rear ladder.

² Specifications are supplied by the chassis manufacturer.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

UVW: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.

When You Know the Difference

At Newmar, we do more than just manufacture RVs. We enhance the RV lifestyle for our customers—in everything we do. From the luxury and details we proudly build into our products, to providing responsive customer service and support. From developing industry-leading innovations, to staying loyal and true in our everyday business practices. These are our values; this is the Newmar difference. As we celebrate 40 years of high-quality Amish craftsmanship, we look forward to many more years of building products that exceed your highest expectations and deliver the durability and quality that sets us apart from everyone else.
