Coated Aluminum Wheels (34'-36' floorplans)
- 4. Tinted Safety-glass Windows
- 5. Top-hinged Baggage Doors

16" ON-CENTER FRAMING

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

SIKAFLEX®

Used throughout Newmar construction, Sikaflex elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

PROTECTED C-CHANNELS

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a plastic grommet.

FULL-PAINT MASTERPIECE FINISH™

Newmar's Full-Paint Masterpiece Finish raises the exterior beauty and durability of our motorhomes to a whole new level. To obtain such rich-looking graphics, we use up to 16 gallons of paint on each unit, applying three coats each of primer, a base coat and color for graphics, and end with a final clear coat.

NEWMAR TOTAL COMFORT™ CENTRAL AIR CONDITIONING

Experience RV air conditioning just like that found in site-built homes. Newmar's Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

Newmar Express Limited Warranty

Every Canyon Star Motorhome is backed by Newmar's one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

The Limited Five-Year Structural Warranty

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase, due to faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

¹ Lengths do not include the rear ladder.

² Specifications are supplied by chassis manufacturer.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.

The Newmar Factory Tour

We'd love to have you visit our state-of-the-art production facility in Nappanee, Indiana. Factory tours are given Monday through Friday at 10 a.m. and 1 p.m. Eastern Standard Time. Please arrive 15 minutes before the hour, and check in at the tour area located in Building Nine on Cheyenne Street. No open-toed sandals can be worn, and children under the age of eight are not allowed to take the tour. For more information, please call 1-800-860-0086.

The Newmar Difference

Over the past 40 years, Newmar has created a heritage devoted to quality, innovation, luxury and Amish craftsmanship. Newmar products incorporate sound construction principles, such as the leveled and squared chassis, sub-floor structure that's integrated and welded to the chassis rail and insulation that makes them easy to heat and cool. We use a real-world wiring system and we test and weigh each and every vehicle to make sure it meets our high expectations. We also provide custom-built touches, like our hand-crafted cabinetry. With Newmar, you get the ultimate in luxury from a company that's dedicated to its roots and stands for the utmost in quality.
