Bay Star

SO MANY EXTRAS, YOU MIGHT NEVER WANT TO STEP OUTSIDE.

2012 BAY STAR GAS MOTOR COACH

FEELS LIKE A HIGH END
COACH. PRICED LIKE
A BAY STAR.

A sleeker, more dynamic exterior paint scheme. An updated front grill and headlights. And moving inside, a far richer feeling, from standard Empire Maple cabinets to upgraded fabrics, new cabinet hardware and optional vinyl tile floor with grout lines.

Suddenly, you get the sense this is a much higher end coach than you think. But look again at the price. It's still a Bay Star.

ALL THE RIGHT STUFF

Your Bay Star cockpit has the good stuff: cruise control, a tilt steering wheel and a comfy Flexsteel® UltraLux Leather captain's chair. And check out the newly designed rear exterior: sleek!

LIVING

RICH WOOD AND UPSCALE FABRICS. LIFE IS GOOD.

The all new 2012 Bay Star's interior has been dressed up considerably. Starting with lengthening many models by one foot – to allow for its many amenities. You'll notice a new sense of richness from its upgraded fabrics, woods, lighting and hardware. Aren't you the smart shopper.

DESK

DINETTE

DESK

Now you can work comfortably on the road – with Bay Star's built-in desk with overhead storage. Yes, that's a Sony® 40" TV built in just above it. There's even an upholstered chair that tucks carefully under the desk.

DINETTE

It's incredible: you get a full size dinette, a residential size sofa plus a chair and desk in a 33-foot coach. Only Newmar managed it and did it well – with Bay Star.

KITCHEN

Check out this intelligent mini-peninsula kitchen plan: it embraces the dinette and creates extra counter space for food prep or serving. Black appliances are standard; an illuminating kitchen window integrated into the Corian® backsplash is optional.
