BAY STAR/SPORT

gas motor coaches
SAY HELLO to SUBSTANCE

While competitors may greet you with stick-on graphics, faux wood cabinetry, and a level of fit and finish that doesn’t look or feel, well, finished, one look at Bay Star and Bay Star Sport is all it takes to discover that these are no ordinary gas-powered coaches. Engineered and assembled to the Newmar standard of quality, both models present a higher level of style, refinement, and versatility by way of 16 combined floor plan selections decorated by contrasting fabrics, carved wood accents, and more.

With a modern character derived from its chic décor and carefully chosen design elements, looks alone distinguish the 2019 Bay Star. But it’s the unexpected extras that further separate Bay Star from its contemporaries. Take floor plan 3408 for example, which grants you residential amenities like a Flexsteel® Hide-A-Bed sofa with a pair of storage ottomans, a retractable Vizio® LED TV, and a dry bar with a china cabinet. In addition, select floor plans offer a bunk sofa or set of plush recliner chairs.

AVAILABLE IN-COACH WI-FI
Prepare to enjoy

**A delectable ENSEMBLE**

Whether it’s a family dinner, a quiet breakfast, or a quick snack, there’s no better place to start than the Bay Star kitchen, and perhaps nowhere better to eat and enjoy than the available buffet style. Stunning handmade cabinetry comes in one of three glazed finishes, and a new recessed three-burner range stays hidden beneath a solid-surface cover. Stainless steel complements a standard Whirlpool® convection microwave and double-bowl sink, while floor plan 3408 includes a pantry with full-length shelves.

Calypso glazed maple hardwood cabinetry
MORE WAYS to ROLL

Choosing your perfect motorhome is all about having options. Searching for in-coach entertainment? A Blu-ray player, overhead-mounted LED TV, and a Bose® Solo 5 soundbar can all be had. And in the master bath, a new 40” x 30” sliding door shower is available too. Of course, Bay Star includes plenty of standard features, starting with rear and side-view cameras, JBL® cockpit audio, a power-adjustable driver’s seat, and a passenger-seat footrest and workstation.

MEDICINE AND LINEN CABINETS

Available vinyl tile flooring
OUTFITTED to IMPRESS

Not big on packing light? Several 2019 Bay Star floor plans house both rear-wall and shirt wardrobe spaces, and all include ample drawer and cabinet space. And to keep all of your favorites looking new, skip the laundromat and spring for the available Whirlpool® stacked washer and dryer. And let’s not forget about rest and relaxation, as Bay Star presents you with both king and queen bed arrangements along with a plush pillow top mattress and an in-room LED TV.
SLEEK and SOPHISTICATED

Bursting with cosmopolitan influence, Eldorado décor aligns textures formed using diamond and star shapes with light, uncluttered base fabrics to create a clean, modern design with ample dimension. The result is a soft, open space that is able to maintain a sharp, detailed look and feel using elements such as black front seat accents, nailhead trim, and a mosaic kitchen backsplash.

PREMIUM and PRACTICAL

Bay Star Sport floor plan 3014 houses a full-wall slideout along a jackknife sofa set across from a dinette and LED TV. Also available, a drop-down bunk bed with an electric release hatch is accessible by way of an easy-to-use ladder. New for 2019, Bay Star floor plan 3408 boasts three slideouts, including a full wall slide made possible by a 24,000 lb. Ford® chassis. If it’s storage you need, 3408 delivers by way of a patio-side dinette with pull-out drawers, a large pantry and spacious china cabinet.
