Bombay full-paint Masterpiece™ finish

So Much — *to Love*

In the Bay Star Sport, careful craftsmanship and thoughtful amenities ensure your whole family can spend time together in comfort. Your favorite shows and movies travel with you, thanks to a standard Samsung® LED TV and a Sony® DVD player. Three available Wi-Fi options allow everyone to stay connected, wherever the road may lead. And carefully selected design features like carved wood accents and two-tone fabric window treatments pull the space together beautifully.

Floor plan 3226 with Bombay décor and Arctic cabinetry

Everything — *You Need*

Sit back and enjoy the Bay Star Sport's expansive living area. The Flexsteel® sofa and front captain's chairs help you relax in total comfort, while standard LED lighting brightens the space and pleated window shades add a touch of style. Beneath the standard dinette booth seats, pull-out drawers allow easy access to extra storage space. Select floor plans offer additional dinette configurations to suit your taste, including a buffet dinette or a new Euro booth arrangement.

Delectable — Design

The Bay Star Sport's gracious galley has everything you need to prepare anything from a warm meal to a quick snack. The generously sized cabinets feature hardwood doors with concealed hinges, in addition to soft-close drawers in the base cabinets. In select floor plans, additional storage is found in the form of a spacious pantry. Polished solid-surface countertops offer ample prep space and surround a stainless steel double-bowl sink with a new faucet design. And an eye-catching tile backsplash adds the perfect finishing touch.

Relax — and Recharge

The Bay Star Sport master suite acts as a tranquil retreat at the end of each day and a refreshing place to rise every morning. It's easy to relax and unwind with a second Samsung® LED TV, luxurious quilted bedspread, designer headboard, and queen-sized mattress, which is upgraded to a king when you choose floor plan 3226. Extra space between the mattress and nightstands means making the bed is quick and easy, and with roomy dresser drawers and a large wardrobe, there's no need to leave anything behind.

All in the — Details

Travel confidently knowing the Bay Star Sport cockpit is equipped with a rearview camera system that includes a side-view camera display. There's a power-adjustable driver's seat joined by a JBL® 180-watt audio system for your entertainment, while optional Rand McNally® navigation makes finding your way easy. For additional sleeping space, select floor plans can be outfitted with a drop-down bunk bed. In floor plan 3226, the bathroom boasts a 40" x 30" shower, and all floor plans include a shower skylight and solid-surface sink tops.

Outside — the Ordinary

Bay Star Sport features plentiful lit basement storage, hydraulic leveling jacks, frameless windows, and a 4.0-kW Cummins® Onan generator. At the door, an automatic entry step and an assist handle welcome you. Relax outdoors beneath the standard Carefree Travel'r® power side awning. And if your travels take you through cold weather, side-view mirror defrost is standard while double-pane windows are available.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Newmar was founded in 1968 for one simple reason:
to build a better RV.

Since then, we've focused our efforts and energy on creating residential-quality "homes on wheels," complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don't just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.
