2020 Luxury New Aire

“The best... We finally
got our perfect coach.”

My job here at Newmar is to sand face frames, doors, and other pieces of the coaches before they go to the finishing area. Every day, I have the mind-set that if the piece I'm working on was going into my RV, is this how I'd want it to look? Newmar

has built a reputation for quality, and I like to think I've had a part in that. It reminds me of what my dad always says: "Buy quality and then take care of it, and it will last you." I feel blessed to come to work every day and enjoy what I do.

2020 New Aire — Style with Substance

The 2020 New Aire takes luxury to the next level. Three all-new 35-foot floor plans include a 450-horsepower Cummins® diesel engine while granting you the ability to add an additional two feet of length to an already-spacious cabin. Every New Aire comes equipped with electronic stability control, Comfort Drive™ adaptive steering, and a V-Ride® rear suspension, for an SUV-like driving experience that's unlike anything else. Now standard, OnGuard™ collision mitigation technology combines with adaptive cruise control and a tire pressure monitoring system to deliver leading-edge safety and convenience.

Urbana full-paint Masterpiece™ finish

Exceeds — Expectations

Comfort and convenience are front and center in the luxuriously appointed 2020 New Aire. Discover both triple- and quad-slide floor plans with polished tile flooring throughout, including each slideout. Designed for today's traveler, the New Aire cockpit features dual 9" HD monitors and is outfitted with six-way power-adjustable heated captain's chairs. Two wireless charging mats ensure your devices stay powered while you enjoy rich sound from the JBL® cockpit audio system. Stay connected with the WifiRanger™ Skypro Pack, and maneuver confidently with the help of both side- and rearview cameras.

Great for Living — the Good Life

In New Aire's expansive living area, you'll find everything you need to relax in style. Make yourself comfortable on Flexsteel® captain's chairs, sofa, and ottomans—all covered in luxurious Ultraleather®—and enjoy a retractable Samsung® 50-inch TV with Blu-ray player and Bose® soundbar. Select floor plans are outfitted with extra-large windows capable of flooding the space with light. And cozy nights await you when you select the optional fireplace, which comes tucked into a dry bar cabinet. What's more, designer feature ceiling adds the perfect finishing touch.

A kitchen that's equal parts beauty and functionality invites you to prepare a delicious dinner or a quick snack. The all-electric stainless steel appliance suite features a portable induction cooktop, convection microwave, and a three-door Whirlpool® residential refrigerator. For 2020, a new backsplash is illuminated by concealed LED lighting, and abundant storage is found in hardwood cabinetry fitted with soft-close drawers and pull-out pantry shelves. Enjoy your every meal at the available Flexsteel® Euro booth dinette, which allows you to stow belongings in pull-out storage drawers located below each seat.

Sweet Dreams — Guaranteed

The New Aire master bedroom is thoughtfully designed to grant you the peace and relaxation you seek. Turn down the quilted bedspread on one of three all-new 35-foot floor plans and discover a standard king bed with an available Sleep Number® adjustable mattress. A rear-wall wardrobe offers plentiful storage for your belongings and can be outfitted with a washer and dryer, and every master suite is accompanied by an additional Samsung® 4K TV and Blu-ray player.

Feel Free — to Indulge

Step inside floor plan 3343's mid-ship master bath and discover a serene space that's all your own. A roomy enclosed shower features tile walls and flooring along with a fold-down seat and built-in soap dispensers. The super-polished vanity is accentuated by a glass mosaic backsplash and in the base cabinets, LED lighting makes it easy to find your belongings.
