Say yes to adventure.

Where will your coach take you?
The 2020 Ventana is the recipient of an extensive and stunning redesign that makes it more beautiful than ever before. Integrated awnings and newly styled front and rear caps lend a new look and profile to the exterior. Shown here in Largo, the industry-exclusive full-paint Masterpiece™ finish adds even more striking character. With standard Comfort Drive™ steering, you’ll always enjoy smooth, easy handling. Convex exterior mirrors help you keep an eye on your surroundings and feature remote control, a defrost function, and turn signal indicators. Choose from thirteen unique floor plans, each built on a Freightliner® chassis with a tag axle. Or you may select the optional Spartan® tag axle chassis on floor plans 40’–43’ in length.
Exceptional —— Comes Standard

Ventana’s redesign continues into its well-appointed cockpit, where you’ll discover new captain’s chairs that offer you six-way power with power lumbar and a footrest. What’s more, the passenger seat is equipped with a workstation. For your convenience, a wireless charging mat is built into the dash, and for your entertainment, a JBL sound system with a subwoofer stands ready to play your favorite music or audiobooks. Also featured is a new digital instrument panel. Side-view cameras are among the standard safety equipment, and plenty of optional upgrades are available to suit your preferences, including an Omniview 360 camera system, a Rand McNally™ navigation system, in-coach Wi-Fi, and a universal toll module.

Floor plan 4369 with Largo décor and Newport Glazed Maple cabinetry.
Make No Compromises

Boosting restyled furniture, a new designer feature ceiling, and new wall sconces for 2020, the Ventana living room invites you to make yourself comfortable. Your favorite entertainment is always close at hand thanks to a retractable Samsung LED 4K TV, two Blu-ray® players, and a Bose® Solo 5 soundbar. Wall-mounted sensors for heating and air conditioning help assure a pleasant temperature. You’re free to choose the furniture configuration that suits your preferences with options that include a recliner with lampstand, a sofa that converts easily to a bunk bed, and theater seating with storage ottomans—shown here. Your dinette options abound as well, such as the pictured combination desk/dinette.
Design ——
You Crave

The Ventana kitchen is appointed with everything you need to make your favorite meals and snacks. Redesigned cabinet doors, soft-close drawers with new hardware, and polished solid surface countertops add equal parts style and function to the space. A brushed aluminum refrigerator and a stainless steel microwave with a three-burner recessed gas cooktop come standard, while the large menu of optional upgrades includes a Whirlpool® refrigerator, a dishwasher, and a flush-mount induction cooktop. Smart storage for your culinary essentials is provided by a spacious pantry as well as a pull-out cabinet, pictured here in floor plan 4569.
Escape to Serenity

In the Ventana bedroom, you’re presented with a plush pillow top queen- or king-size mattress, which may be upgraded to an optional Sleep Number mattress. The redesigned headboard is the perfect backdrop for a beautiful quilted bedspread and matching accent pillows. Find generous storage for your belongings in the hardwood dresser, which is flanked by two wardrobes. Situated above the dresser, find a Samsung LED TV and a Blu-ray player—the perfect accompaniments to a relaxing afternoon or a movie night.
Space that Soothes

With its new geometric sink bowls and beautiful tile backsplash, the Ventana master bathroom is your elegant escape. Floor plan 4369 grants you a twin-sink vanity and an extra-large 50” x 34” shower featuring a glass door, an Aqua Miser shower system, and an optional fold-down seat. Also shown here is the optional laundry station, which comprises a two-piece stacked washer and dryer. Select Ventana floor plans also offer a half-bath that boasts many of the same fine appointments found in the master. It’s the perfect way to treat your guests.
At Newmar, we believe everyone deserves to experience the freedom and joy of open-road travel, regardless of physical ability. Ventana 4311 is a testament to that idea, combining a BraunAbility® remote-control power lift and roll-in shower with the amenities you deserve, such as an optional retractable 50” Samsung 4K LED TV with Blu-ray/DVD player, a full-wall rear wardrobe, and a hide-a-bed sofa.

Anywhere is Possible
Exactly What You Want

The Ventana’s outdoor living space begins with the integrated Girard power side awning and the Carefree entrance door awning, which come equipped with a wind sensor, remote control, and LED lights. The choice to upgrade to one of several available awning packages is yours. Additional customization options include an outdoor entertainment center, a pass-through storage tray, and a patio hammock package. For your convenience, power baggage door locks are standard equipment, as is the keyless entry door with a touchscreen keypad and doorbell. Frameless double-pane tinted windows feature safety glass, and the exterior baggage doors, basement storage, and fenders are now taller in height. And an 8.0 kW Cummins Onan® diesel generator supplies reliable power for your coach, whether you’re sitting under the awning or relaxing inside.

Quality You Can Feel

Like a fine home, the 2020 Ventana is framed 16 inches on center, and is covered by a BriteTEK™ roof with walkable decking and an integrated gutter rail.

- **GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.
- **GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.
- **GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.
- **UVW:** Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.
- **NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

**QUALITY FROM THE START**
Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

**CAREFULLY SELECTED DEALERS**
We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that’s second to none from day one.

**EVERYTHING IN ONE PLACE**
As a Newmar owner, you’ll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

**FRIENDS FOR LIFE**
Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

**SEAMLESS SERVICE**
When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

**ROCK-SOLID PROTECTION**
All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach’s superstructure in the event it fails to perform. Ask your Newmar dealer for more details.

Our Partners

Newmar Quality Begins With The Company We Keep

You deserve class-leading performance from names you can trust. That’s why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

BASF
The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinsh coatings that deliver solutions beyond your imagination.

FREIGHTLINER CUSTOM CHASSIS
Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry’s best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling and developing high-performance innovations such as DRIVE TECH. The only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

FLEXSTEEL RECREATION
Flexsteel Recreation offers innovative furniture designed for a life that rarely sits still. Comfortable and space-saving, Flexsteel furniture ensures your RV is always ready for dining, sleeping, or hosting guests.

INDUSTRIAL FINISHES
Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true “Masterpiece” finish.

RIVERPARK
At RiverPark, we proudly represent the leading brands in consumer electronics—brands you know and trust to provide exceptional quality, innovative technology, and cutting-edge features. Newmar features Samsung’s incredible 4K TVs, Xite Infotainment systems featuring Rand McNally, Bose soundbars, and JBL and Infinity premium audio. Step into a 2020 Newmar motorhome and experience dazzling audio and video performance throughout the coach.

SPARTAN MOTORS
Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.
Our People Make the Difference

Newmar was founded in 1968 for one simple reason: to build a better RV.

Since then, we’ve focused our efforts and energy on creating residential-quality “homes on wheels,” complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don’t just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.
When You Know the Difference.
