

2021 GAS MOTOR COACHES

BAY STAR SPORT / BAY STAR

Be Up for an Adventure

Any location is an exciting destination in your Bay Star Sport. One of our most popular gas coaches got an important new upgrade for 2021. Every 2021 Bay Star Sport is built exclusively on a next-generation Ford® F-Series Class A Motorhome Chassis. This new platform is powered by a 7.3-liter V8 engine, offering up 350 horsepower and 468 lb./ft. of torque—20% smaller and 30 pounds lighter than last year's model. The Bay Star Sport is ready to go where the wind takes you.

Live the Nomad Lifestyle 2021 Bay Star Sport

Eight floor plans and a myriad of innovative features and options make the Bay Star Sport perfect for road trips that fit your lifestyle. New, heavier duty sway bars keep the drive smooth. The new engine is also partnered with the Ford TorqShift® automatic overdrive transmission to make towing your get-around vehicle a breeze.

Excitement in Style

The 2021 Bay Star Sport offers the amenities of home while you're out on the road. After a day out adventuring, catch up on your favorite shows with a standard Samsung® LED TV and Sony® DVD player. Post your latest videos and updates with one of three available Wi-Fi packages. Or just sit back and enjoy the tasteful décor of the living space.

A New Destination

Your next exciting trip always begins with the cockpit. The new chassis also features an updated driver's station. A new steering column leads to a redesigned steering wheel, with integrated cruise control and dash menu interface switches. The instrument cluster has been modernized and rotary headlight switches are now included. LED lights keep the living space bright, while you enjoy the comfort of a deluxe sofa. You'll also find plenty of storage space in the standard dinette with pull-out drawers—or choose other configurations including a Euro booth.

Eat on the Go

The galley of the Bay Star Sport is spacious and well-appointed. Roomy cabinets and a large optional pantry—with hardwood doors and concealed hinges—are perfect for storing necessities and small kitchen appliances, plus there's even more space in drawers and base cabinets. A cooktop, microwave, and Norcold® fridge all come standard to make cooking something delicious easy, and a polished countertop surrounds a stainless steel double-bowl sink.

Sleep Inspired

Rest and relax in the Bay Star Sport master suite, with a queen-size mattress, designer headboard, and quilted bedspread—all upgraded to a king in floor plan 3226. Drift off to your favorite movies with a mounted Samsung® LED TV. The wardrobe, large dresser drawers, and nightstands mean there's plenty of space to bring along all of your gear—so no adventure is off-limits.

A Calm Interior

The master bathroom of the 2021 Bay Star Sport is there to help you clean up after a long day of adventuring—or just to be a space where you can relax. Several spacious shower options are available depending on the floor plan you choose, with sliding glass doors and handshower. And regardless of the floor plan, every shower features a skylight to let plenty of natural light in.

Clean Living

Featuring polished countertops surrounding an undermount sink, Bay Star Sport bathrooms also offer storage space in overhead cabinets and linen closet on some floor plans. If you're traveling with others, sleeping space is no problem when you outfit select floor plans with a drop-down bunk bed.

Ready to Go Anywhere

The Bay Star Sport is meant to take you places in comfort. With plentiful lit basement storage, you can bring all of your favorite adventure gear with you. Hydraulic leveling jacks, frameless windows, and a 4.0 kW Cummins Onan® generator—with optional upgrade to a 5.5 kW version—are additional features to make traveling easier. For more comfort inside, you can upgrade to two air conditioners. Outside, a standard Carefree Travel'r® power side awning keeps you in the shade.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Our People Take It Personally

Since Newmar was founded in 1968, our goal has been to build a better RV.

We have always believed that traveling shouldn't mean leaving behind the comforts you enjoy, so our coaches are crafted to be residential-quality homes—complete with handmade cabinetry and designer décors.

Every Newmar is built by hand, one at a time, by men and women who have dedicated years to creating superior-quality coaches that surpass their mass-produced competition.

We don't want to simply ask you to trust us when we talk about the Newmar difference. We want to prove it, every single time you hit the road. Because we take pride in the responsibility of designing, engineering, and constructing your motorhome.

And we know you'll be proud driving one on the way to your next destination.

When You Know the Difference.
