

2026
FREEDOM AIRE
COMPACT CLASS C

WHAT'S NEW FOR 2026

FLOOR PLANS:

Freedom Aire 2515

- This floor plan features a partial slide out on the off-door side that houses a large dinette with footrests, a 74" sofa and overhead cabinets. The sofa can be converted into a 60"x 80" king size Murphy bed.
- The front cockpit features swivel chairs w/ pedestal table, and a cab over bunk.

CHASSIS FEATURES:

- Features a Mercedes-Benz 4500 Sprinter Chassis with V4 Turbo Diesel High Output Engine.
- Load Adaptive Electronic Stability Program is included.
- Assist features include active brake, active lane, attention, cross wind, hill start, high beam, and traffic sign.
- Standard features include: cruise control, leather wrapped, heated steering wheel, Mercedes MBUX Infotainment center with navigation, TPMS and wipers with rain sensors.

INTERIOR FEATURES:

- Enjoy vinyl flooring and hardwood cabinetry throughout.
- Cab area bunk with AC and reading lights.
- Solid surface countertops.
- Six interior décor options include Soho, Meta, Aria, Elgin, Rizo, and Avery.

EXTERIOR FEATURES:

- There are six exterior graphic options available for 2026: Slate, Cobalt, Steel, Carbon, Quartz, and Platinum.
- Hydraulic leveling jacks are standard, as is the 5K hitch.
- Convenient features include keyless entrance door with touch pad and doorbell, heated and electronically controlled side mirrors.
- Two Standard 120W solar panels, that are 20% more efficient in shaded areas

PLUMBING/BATH FEATURES:

- Bath features include: Sentrel shower surround, Truma Aqua Go Water Heater, Aqua Miser Shower System and an exterior shower.

ELECTRICAL FEATURES:

- House batteries recharge from alternator. Features Victron 2000W Inverter and new high-line Multiplex 10" display.
- The ATC control panel connects via Bluetooth to the Newmar App.

CONSTRUCTION FEATURES:

- Fiberglass roof, sidewalls, rear cap, 16" on center framing and side hinged baggage doors.

WINDOWS, AWNINGS, VENTS AND DOORS:

- Integrated Girard side awning and slideout topper are standard.
- Window in cab area bunk with shade provides privacy when needed.

OPTIONS AVAILABLE INCLUDE:

- Onyx Package
- Starlink
- Induction Cooktop
- Lithium Battery Package (320 upgrade, 640 w/larger inverter, or a 960 All-Electric option). The 960AHR option includes all-electric, induction cooktop, hydronic heating, and additional alternator.
