WHAT'S NEW FOR 2026

CABINETS & FURNITURE:

- Introducing new cabinet color, Cove.
- New two-tone cabinet option with Cove and Chiffon.

ELECTRICAL:

- For 2026, external entertainment center will no longer be able to stream audio from the dash radio.
- A Victron 2000W Inverter is now standard, replacing the Xantrex.
- Transfer switch with surge protector has been made standard.
- Winegard Rayzar Auto Antenna is standard for 2026.

EXTERIOR:

- There are three new exterior graphic options available for 2026: Deneb, Altair, and Vega.

INTERIOR:

- Contemporary Woven Material has now replaced carpeting in the slide rooms.
*Please note that carpet will continue to be used in closets and non-exposed dinette floors.
