CHASSIS FEATURES:

- New for 2026, we are introducing the Cascadia Chassis on Supreme Aire.
- The Supreme Aire SE 38 – 41' models feature DD13 525HP Engine, Single Axle with 20K Hitch.
- The Supreme Aire XT 43 – 45' models feature DD16 600HP Engine, Tandem Axle, 30K Hitch.

CABINETS AND FURNITURE:

- Introducing new cabinet color, Chestnut.
- New two-tone cabinet option with Chestnut and Summit.
- The new center console in the optional theater seats includes a pull-out cup holder on the front face and a flat surface on top for stemware.

ELECTRICAL FEATURES:

- Supreme Aire SE 38 – 41' features an 8.0kW Generator while the Supreme Aire XT 43-45' features a 12.5kW Generator.
- Features ATC control panel that connects via Bluetooth to the Newmar App.
- A Victron Multiplus 3000W is standard, replacing the Xantrex 3000W.
- One exterior security light is standard, with optional second.
- Xite 360 camera monitor installed under cab overhead.
- Harman/JBL Sound System has been replaced by Cascadia equipment.
- Exterior entertainment center and Central Vac are now standard.

EXTERIOR FEATURES:

- There are five new exterior graphic options available for 2026: Harding, Seldovia, Portage, Laughton, and Blanco.
- Entrance doorstep is now electric.
- Optional Onyx Package available.
- The Artisan Series custom paint process option offers a truly one-of-one design that, once ordered, is archived forever. (45' floor plans only.)

INTERIOR FEATURES: 2026 Interior Lifecycle Change:

- Booth dinette is standard.

PLUMBING/BATH FEATURES:

- Solid surface shower with tile inlay.
- New water works pan and panels for MY2026.

WINDOWS / AWNINGS/ VENTS FEATURES:

- Girard G2000 awnings now standard.

OPTION CHANGES:

- Radiant floor heat is now optional.
- Optional 120W Merlin Solar Panels are available – these replace the GoPower 110W.
