## WARRANTY DEPARTMENT

Dear Dealer

Newmar has discovered that a few 1994 Motorhomes have left here with incorrect information typed on the Federal Certification Label. The error is in the stated GVWR of the motorhome. Please check any units you may have against the enclosed chart for errors. If an error is found, call the warranty department and notify us with the serial number of the unit and we will send you a corrected Federal Certification Label

Thank you,

*Dave Garl*
