NEWMAR CORPORATION WARRANTY DEPARTMENT

Atwood Mobile Products

Engineered Systems & Components

August 1995

Dear Customer,

We at Atwood Mobile Products are continually looking to improve our levels of Customer Service. With this in mind, we are pleased to make the following announcement.

Effective September 1, 1995, all service related technical calls on Wedgewood ranges, Hydro Flame furnaces, and the Atwood water heater, plus Atwood hardware will be taken care of at one location, the Rockford, Illinois office.

The Rockford location will troubleshoot product problems, receive service and warranty parts orders, and respond to customer correspondence. Parts orders and warranty orders for Hydro Flame furnaces and Wedgewood ranges will still ship from those manufacturing locations respectively.

With this change will come a new phone number for technical service support for the U.S. and Canada.

1-800-825-4328

Finished goods orders will still need to be placed with each plant.

Furnaces - Salt Lake City, UT 800-873-4328, Canada 800-831-7531
Ranges - Greenbrier, T N 800-646-8557
Water Heaters - Rockford, IL 800-825-4328
Hardware - Rockford, IL 800-825-4328

Your support, cooperation and patience with this change will be greatly appreciated.
