Description of Problem							
Potential exists for contact between the air cleaner tubing and a CAC hose where a chafing condition could occur. There is not enough clearance between components.							
Recommended Solution							
Replace air cleaner tubing. If component damage is found, contact Spartan Chassis, Inc. for further direction. See Manufacturers attached repair directions. Contact manufacturers directly for additional information or instruction.

Re: Notice of Campaign Service Bulletin: **CSB05-270-002**

Dear Valued Customer,

A recent decision was made to issue a Campaign Service Bulletin which addresses the condition of a potential for contact between the air cleaner tubing and a CAC (charge air cooler) hose. If contact is made then a chafing condition could occur.

Your satisfaction with our product is important to us. We are initiating this contact with you so that you will, at your earliest opportunity, take your vehicle in for service. In doing so, we can be certain that you have the best product available for optimal performance.

Carefully follow the instructions below:

Contact Spartan Chassis Customer Service 1-800-543-4277 (option 1); have your VIN (Vehicle Identification Number) available (this is listed on the upper left portion of the address label). A Spartan representative will advise you as to what your vehicle requires.

Spartan-authorized Service Centers are listed online at www.spartanchassis.com.

Although **this is not a recall**, Spartan Chassis is committed to serving you with your best interests in mind.

Best Regards,

Wayne Ridge
